REVIEW OF THE YEAR

OLAJEN

A BUILDER FROM CHILDHOOD TO ADVANCED AGE.

What mother has not worried over and felt utterly helpless in dealing with a baby that cannot assimilate its food, and simply will not thrive. In such a case OLAJEN works wonders. No matter how young and puny the infant you will be surprised at the result. CHILDREN LOVE IT. It also replaces the lost tissue of old age. A builder for any period of the human life. A trial will prove more convincing than anything that can be said.
