ECONOMY! ECONOMY!

THOSE who wish to have Clean and Bright Stove Pipes through the winter at a very trifling expense, will use H. BAYLIS'S BLACK LACQUIRE or STOVE PIPE VARNISH. A single half pint will be sufficient for 30 or 40 feet of pipe, and will retain its lustre through the winter without further attention, and preserve them from rust during the summer, neither will it require one fourth the time occupied in the dirty process of Blackleading. Therefore, the saving of time is the saving of money. The varnish may be had at the respective Tinsmith shops, in pint and half pint Bottles, with directions for use.

To be had at Mr. G. F. Prouse's Tin Smith Shop, nearly opposite the Court House.

New Fashionable Tailoring Establishment.

G. & T. BILTON would respectfully inform the inhabitants of Kingston that in connexion with their house in Toronto, they have opened an Establishment in the above line in King Street exactly opposite Messrs. J. D. Bryce & Co.,where they purpose to keep on hand every article connected with their business. Their present stock consists of a choice assortment of Blue, Black, Invisible Green, Olive and Brown Broad Cloths; Wool-dyed Black, Brown, and a variety of shades of Cassimeres; in Vestings they have on hand a choice assortment of Goods—consisting of Velvets, Figured and plain Satins, French Chenes and the different patterns of Wool Cashmeres suitable for Winter, Diamond and Plain Beaver Cloths &c. The above goods being imported by themselves from the best Markets in England, and their arrangements with some of the first Houses in London will enable them to furnish their Customers with the newest Goods on reasonable terms.

In reference to the Cutting and Making department, it will only be necessary to say that no exertion will be spared to maintain that style which has rendered their establishment so popular in Toronto.

N. B.—G. & T. B. flatter themselves that their knowledge of Naval and Military Uniforms will enable them to execute any orders in that line in a superior style.

Three or four first rate journeymen wanted immediately.
