PARTNER WANTED
IN THE
CALEDONIA SPRINGS PROPERTY.

AFTER six years of indefatigable labor and great expense the Proprietor has succeeded in establishing the

"CALEDONIA SPRINGS,"

and making them available to the Public. The waters have been carefully analized by competent Chemists, and have been brought under the notice of the most eminent Medical Men in Canada, who have attested to their medicinal virtues, and by whose advice they have been in many cases successfully used, and are in great and progressive demand

The object of this advertisement is to solicit a PURCHASER of

One Half of all the Springs Property.

The Subscriber is induced to make this sale solely on account of his want of sufficient funds to make such further improvements as the great and annual increase of business requires.

The proprietor confidently asserts that a more desirable property or a more lucrative investment can seldom be met with in Canada, the truth of which he is ready to show to any one who (from a desire to purchase) may be disposed to enquire into the matter, and the subscriber repeats that his sole object in parting with any share of so valuable a Property is for the express purpose of enabling him to carry out such improvements as will insure to the Proprietors a perpetual and annually increasing income.

A standing offer is open to the Proprietor for the use of the above property for three years, of £400 per annum, whenever he may think proper to accept the same, and in conclusion the Subscriber has only to add, that the resort to the Springs, both for health and recreation is annually increasing, and the sale of the Caledonia Waters abroad, have the last season nearly doubled any former year.

Unusual preparations are making for the entertainment of visitors the present season.

MOFFAT'S VEGETABLE LIFE PILLS AND PHŒNIX BITTERS.—The high celebrity which these excellent Medicines have acquired in curing almost every disease to which the human frame is liable, must every where be known by their fruits—their good work have testified for the sick—they did not thrive by the faith of the credulous.

In cases of Costiveness, Dyspepsia, Bilious and Liver Affections, Asthma, Piles, Settled Pains, Rheumatism, Fevers and Agues, Obstinate Headaches, Impure State of the Fluids, Unhealthy appearance of the Skin, Nervous Debility, the sickness incident to Females in Delicate Health, every kind of weakness of the Digestive Organs, and in all general Derangements of Health, these medicines have invariably proved a certain and speedy remedy. They restore vigorous health to the most exhausted constitutions. A single trial will place the Life Pills and Phœnix Bitters beyond the reach of competition, in the estimation of every patient.

☞ The Life Pills are sold in boxes—Price, 25 cents, 50 cents, and $1 each, according to the size; and the Phœnix Bitters in bottles, at $1 or $2 each, with full directions.

Prepared and sold, wholesale and retail, at WM. B. MOFFAT'S Medical Office, 375 Broadway, New York.

N. B. None are genuine unless they have the fac simile of John Moffat's signature.

FOR GRATUITOUS DISTRIBUTION—An interesting little pamphlet entitled "Moffat's Medical Manual, designed as a Domestic Guide to Health—containing accurate information concerning the most prevalent disease, and the most approved remedies—by WM. B. MOFFAT." Apply to the Agents.
