

Select 6 Raiders capture tourney

The Georgetown Select 6 Still Waters Dental Group Raiders completed an undefeated weekend in Brampton with a 2-1 shootout win against Milton in the championship game of the 21st-annual Bob Giroux Memorial Minor Hockey Tournament. Austin Medeiros and Braydon Hobson scored in the shootout while Nolan Peet stopped two of three Milton shooters. In the round robin, the Raiders defeated Stouffville 8-1, tied Port Credit 2-2, defeated Lorne Park 8-1 and defeated Vaughan 4-0. All the Select 6 Raiders earned points in the round robin and skated to victory in their first-ever tournament. Team members (front, from left) are: Austin Medeiros, Cole Tannahill, Matthew Langille, Jaedon Holloway, Nolan Peet, Christopher Caissie, Daniel Hutchison, Braydon Hobson. Second row: Evan McMillan, Cody Torraville, Cameron Cassels, Noah Tegelaar, Mitchell Winner, Jackson Chaytor, Ethan Pippo, Michael Tauskela, Aaron Salmon. Back row: Trainer Sean Tannahill, assistant coach Eric Tegelaar, head coach James Cassels, assistant coach Rob Caissie, manager Kevin Salmon.

Highfield rides high at OLA Jr. A draft

For the second year in a row, a member of the Halton Hills Minor Lacrosse Association was selected in the top five of the Ontario Lacrosse Association Jr. A Draft. Sixteen-year-old forward Cory Highfield was taken first overall by the Mississauga Tomahawks in Sunday's draft of midget-aged players in the province. The 6-foot-1, 190-pound Grade 11 Georgetown District High School student notched a hat trick in Team Ontario's 9-5 win over B.C. in the gold medal game of last summer's Canadian Lacrosse Association midget boys' championships in Whitby. He was also named to the tournament all-star team at the Ontario Summer Games as a member of the Halton Hills Bulldogs' midgets. Another Georgetown resident, Connor Brown, was chosen fourth overall by Mississauga in last year's OLA Jr. A Draft. Highfield said he plans to suit up this summer for the Tomahawks, who went 0-20 in the OLA Jr. A loop last season.

sons and that's why it was successful. Grace (Rylett) was president and she didn't even have a girl in hockey, and Craig (Baker) stayed for quite a while after his daughters all moved on. As a family, we spent so much time in the car because of hockey—at tournaments and on weekends—we really bonded together."

Although no longer active with the Twisters, the MacGillivrays, married for 34 years, have re-directed their energy towards the equestrian sport of combined

driving at their Glencameron Farm home in Limehouse and at competitions around the world.

This past summer, Pam & Bill received a lifetime achievement award from the Ontario Combined Driving Association and in 2009, the family was honoured with the Ontario Equestrian Federation's People Make A Difference Award for their dedication and excellence in the sport.

The Hockey Heritage Awards Dinner will be held Monday, March 4 at the Acton Legion. Tickets are \$65 each and can be purchased by calling 905-877-6710.

Make a Difference in Your Community

Milton Oakville Georgetown Hospitals

Recipient of the PLATINUM Quality Healthcare Workplace Award

Join a Dynamic Leadership Team The Halton Healthcare Services Board of Directors

Halton Healthcare Services (HHS) is inviting applications for an accomplished member of the Milton community to serve on the Board of Directors. If you are a recognized leader with a significant record of achievement in your area of expertise, we'd like to hear from you.

Through an effective governance body Halton Healthcare Services' first priority is to understand the unique needs of our diverse communities. As a well-connected individual who currently resides in the Milton community, you demonstrate an awareness of the specific issues and concerns facing this rapidly expanding community. You will be both an active voice of the Board of Directors and a knowledgeable resource on the needs of Milton. Demonstrated not-for-profit or corporate board experience and knowledge of the current healthcare environment are assets.

HHS is a dynamic network of three community hospitals located in Halton Hills, Milton and Oakville — each experiencing exciting capital redevelopment projects.

The Milton District Hospital will triple in size by 2017. Planning for this major expansion is currently underway and will provide new and enhanced services for the community. To support this effort, our Milton District Hospital Foundation partners will be embarking on a major capital campaign.

For the Georgetown Hospital, a major redevelopment is underway, including the purchase of a new CT Scanner that will enhance service delivery and expand resources for access to care. Our Georgetown Hospital Foundation partners are also embarking on a major capital campaign.

In addition to these two important projects, HHS is proceeding with the exciting construction of a new Hospital in Oakville that will replace the existing Hospital in late 2015. With three major capital projects running concurrently, there has never been a greater need for strong community representation on our Board.

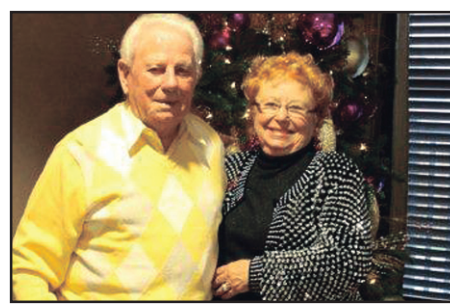

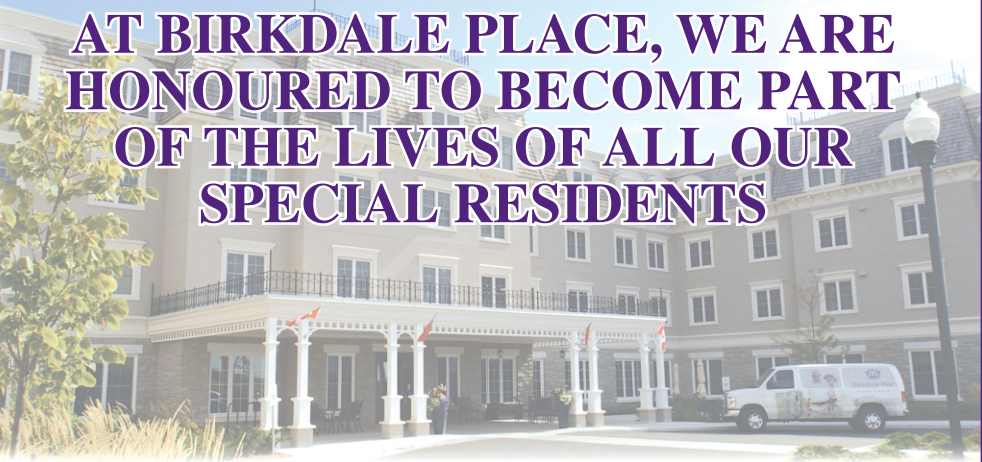

HHS has retained Promeus Inc., to invite nominations and expressions of interest to fill the upcoming Board vacancy. This advertisement is also posted on the HHS website at www.haltonhealthcare.com.

If you have the passion and availability to reflect the face and character of our fast-growing and diverse communities, please send a letter of interest and enquiry by Friday, February 8th, 2013 to Judy Mandelman, Promeus Inc. at:

judy.mandelman@promeus.ca, quoting Project: HHSBD-210203

AT BIRKDALE PLACE, WE ARE HONoured TO BECOME PART OF THE LIVES OF ALL OUR SPECIAL RESIDENTS

"What a difference it's made to our lives since dad made Birkdale Place his new home - he seems to be just getting younger every day, and we have great peace of mind!"
