On Thursday last, the Orangemen of Gananoque and neighbourhood entertained H. S McDonald, Esq., M.P.P., at a supper in the St. Lawrence Hall. An address was presented and replied to, in the drill shed. After the dinner Mr McDonald gave a detail of his travels in Great Britain and Ireland.

Mr Disraeli has agreed to deliver his inaugural address as Lord Rector of the Glasgow University about the middle of November. It will be remembered that the address was last year indefinitely postponed in consequence of the death of Viscountess Beaconsfield.

A stabbing affray took place in Gananoque on Monday week. Two men belonging to the United States surveying boat lying at Gananoque, named Tower and Willis, were on the spree with a man named Purcil. Purcil was stabbed, and the other two men were arrested. Tower pleaded guilty to the stabbing in self-defence, and was to be sent to gaol to await his trial, but he slipped from the constables hands, and escaped. Willis was fined $5 for assault, which was paid.

THE ROYAL CANADIAN INSURANCE COMPANY.

Authorized Capital $5,000,000.

THE present rates for Fire Insurance throughout the Dominion (the result of combination among the various Insurance Companies) are, it is believed, not only excessive, but unnecessary; and however severe the losses to those Companies may have been in the late calamitous fires in Chicago, Boston and other cities in the United States, the losses in the business of Insurance throughout the Dominion, does not warrant the great increase which has lately taken place in the rates.

Such being the case, this Company represented by the wealthiest merchants of the Dominion obtained a charter during last session of Parliament, and are now prepared to do business at moderate rates. The promoters can with full confidence rely on the citizens of Kingston, giving this Company a liberal support, the directors pledge themselves that in the event o loss claims will be settled in the most liberal manner, and risks will be taken on their merit irrespective of any Company.
