British, French, German, and Italian men-of-war had arrived at Cartagena, and foreigners who remained were hurriedly preparing to quit the city.

NEW YORK DESPATCHES.

Memphis, Oct. 12.—There is a slight abatement of yellow fever to-day, but few new cases have been reported and but 57 deaths from all causes.

New York, Oct 13.—A Shrevesport dispatch says the sudden change of the weather on Saturday added an increase to the number of yellow fever deaths. Among the new cases are Dr. Allen, one of the prominent physicians and William Walker merchant.

Owing to domestic troubles Louis Koch, aged 44, cut his throat with a razor in Allen street, yesterday.

Letters of Dr Sozer, late missionary Bishop of Zanzibar, addressed to Bishop Potter of this diocese and Dean of Canterbury are published this morning, finding fault with the latter for participating in the Communion service at the Presbyterian Church in this city on Sunday last. Dr. Sozer says this conduct of the Dean will be accepted in this country and England as a sufficient reason and justification for Episcopalians attending attractive services of the Catholic Church, and may be cited to pronounce the representation that the Episcopal Church is a haven of rest for those tossed by multiplicity of doctrine a delusion and snare.

THE ROYAL CANADIAN INSURANCE COMPANY.

Authorized Capital $5,000,000.

THE present rates for Fire Insurance throughout the Dominion (the result of combination among the various Insurance Companies) are, it is believed, not only excessive, but unnecessary; and however severe the losses to those Companies may have been in the late calamitous fires in Chicago, Boston and other cities in the United States, the losses in the business of Insurance throughout the Dominion, does not warrant the great increase which has lately taken place in the rates.

Such being the case, this Company represented by the wealthiest merchants of the Dominion obtained a charter during last session of Parliament, and are now prepared to do business at moderate rates. The promoters can with full confidence rely on the citizens of Kingston, giving this Company a liberal support, the directors pledge themselves that in the event of loss claims will be settled in the most liberal manner, and risks will be taken on their merit respective of any Company.
