My Precious Love
Sometimes I tell myself, that you're not really gone. I feel your tender touch and no longer feel alone. I see us walking hand and hand like we use to do. It's hard for me to accept That your life on earth is through. There were so many dreams we had not yet fulfilled, All the hopes of a future that we were going to build. All our friends and family have been so very kind, They try hard to ease my broken heart And my troubled mind. But how can my heart be mended, When it has broken in two? Part of my heart is still on earth, The other part left with you. It is hard to see tomorrow, When I can't accept today. Because the "Love of My Life" Has been taken away. I will always miss you, Sweetheart, Time will not erase the pain, All the raw emotions of losing you, Words will never explain. I will cling to the warm feelings You brought into my life, Maybe somehow it will ease my confusion And emotional strife. Someday we will be rejoined in Heaven up above, But while I'm still on earth I will cherish Every memory of our precious love. Somehow those precious memories Will have to carry me through, Until the time comes for us to walk hand and hand For an eternity together me and you. Forever missed, forever in my heart. Loved always, your wife Cindy

We Remember You
In the rising of the sun and its going down. In the bowing of the wind and in the chill of winter. In the opening of the buds and in the rebirth of spring. In the blueness of the skies and in the warmth of summer. In the rustling of the leaves and in the beauty of autumn. In the beginning of the year and when it ends. When we are weary and in need of strength. When we are lost and sick of heart. When we have joys and special celebrations we yearn to share. So long as we live, you too shall live, for you are part of us. Forever missed, forever in our hearts. Loved always Dad. Love your kids, Matthew, Steven, Kathleen and David
