MONUMENT TO LUTHER.

Compared to Luther, it was universally felt a monument to German genius. In a Grand Ducal Hesse; in one of the secrets of Hesse Darmstadt, we [illegible] are not yet included in the German Confederation. By no political ascendancy could King William to be at home at Worms; a purely national solemnity Germany in distinction between North and South, she stands before Luther as a community, and she places at her disposal that House of Hohenzollern, which, since the abdication of Charles, lie her hopes for the restoration of her Empire. The monument, many years in progress, and whose has been delayed, owing to [illegible] 1851, of Rietschel, the sculptor, who gave the design and laboured [illegible] its execution.

[illegible] and rich variety of design the [illegible] has no equal. In this respect it [illegible] improvement even upon Rauch's [illegible] the Great, with its host of Generals round the base. It is not a [illegible] combination of eleven statues [illegible] and surmounted by the [illegible] of the Thuringian miner's [illegible] a few steps, you tread on [illegible] 49 feet square, enclosed on other sides by a battlemented [illegible] In its centre Luther stands [illegible]. Seated on the four pillars [illegible] from the corners of Luther's [illegible] you see, clustering about the [illegible] his four precursors, who attempted what he accomplished. To this [illegible] the English, French, Italian, and [illegible] have each furnished a member, Wickliffe, Petrus Waldus, Jerome of Prague, and Jan Huss. Then, [illegible] the circumference, you notice [illegible] statues distributed around. On [illegible] four corners of the balustrade, [illegible] from the centre group by [illegible] are the venerable figures of [illegible] two clerical allies of the reformer, Frederick the Wise, Elector, and Philip the Generous, [illegible] of Hesse, impersonating power [illegible] watch the front; Philip [illegible] John Reuchlin, with their [illegible] at their rear. To these [illegible] those in the centre group, [illegible] in-images of real beings—[illegible] tasteful taste, united the [illegible] of three cities, celebrated [illegible] of the time. Augsburg, [illegible] gives, three majestic women [illegible] centre of each side of the [illegible] and looking up to [illegible] relieve the four [illegible] are standing, and [illegible] in the same direction [illegible] figure. To do justice to [illegible] which have likewise de[illegible] cause of religious liberty, [illegible] of the enclosure are on the [illegible] with the escutcheons [illegible] other German cities. These [illegible], Bremen, Constance, Eisenach, Emden, Erfurt, Frankfort, Hamburg, Heilbronn, Jena, [illegible], Lindau, Lubeck, Mar[illegible], Nordlingen, Riga, [illegible], Strasburg, Wittenberg, and [illegible] stands the wonderful structure, a petrified piece of history, [illegible] to any one who knows [illegible] agitated mankind, and has [illegible] of what will agitate them [illegible] concourse of strangers was [illegible] reports speaking of 100,000, [illegible] many clergymen. A procession [illegible] of the choral societies, [illegible] of girls dressed in white [illegible] friends, the pupils of the [illegible] deputations from various cities [illegible], and the members of the [illegible] King of Prussia was formally [illegible] protector of the Evangelical [illegible] out of Germany. At two [illegible] grand hymn, "Ein feste [illegible] Gott" (Our Lord is a tower [illegible], was sung by thousands of [illegible] then the monument was un[illegible] At night the monument was il[illegible]

Of late years various contrivances have been devised, especially in [illegible] to supply suitable breeding [illegible] for the birds mentioned, the most [illegible] satisfactory being made of [illegible] different shapes, either parallelopiped, cylindrical or conicle, and [illegible] of birch twigs. These when smeared [illegible] with pitch and stuck over with [illegible] feathers, are almost as acceptable [illegible] to birds as hollow trees would be, and [illegible] large numbers of them.

[illegible] Natural Precocity.—The [illegible] of a small but highly cultivated [illegible] in Paris are at present much occupied [illegible] a great marvel. This is a pretty [illegible] of twelve or fourteen, who has [illegible] a good but not extraordinary education, [illegible] who, to the amazement of everybody, [illegible] a number of languages with [illegible] ease, and has rapidly developed [illegible] within a few months, a depth and [illegible] knowledge of every kind which [illegible] astonishing. Her parents and [illegible] have been with her constantly, [illegible] her reading has been limited, [illegible] knowledge of the world next to [illegible] there is scarcely an event in [illegible] work of art, a distinguished [illegible], an artist, or monarch, or [illegible] unknown to her. Who is Mrs. Winslow?

As this question is frequently asked, we will simply say that she is a lady who, for upwards of thirty years, has untiringly devoted her time and talents as a female Physician and nurse, principally among children. She has especially studied the constitution and wants of this numerous class, and as a result of this effort, and practical knowledge, obtained in a lifetime spent as nurse and physician, she has compounded a Soothing Syrup for children teething. It operates like magic—giving rest and health, and is, moreover, sure to regulate the bowels. In consequence of this article, Mrs Winslow is becoming world-renowned as a benefactor of her race; children certainly do rise up and bless her; especially is this the case in this city. Vast quantities of the Soothing Syrup are daily sold and used here. We think Mrs Winslow has immortalized her name by this invaluable article, and we sincerely believe thousands of children have been saved from an early grave by its timely use, and that millions yet unborn will share its benefits, and unite in calling her blessed. No mother has discharged her duty to her suffering little one in our opinion, until she has given it the benefit of Mrs Winslow's Soothing Syrup. Try it, mothers—TRY IT NOW.—*Ladies' Visitor*, New York City.

A recent writer has said that no nation bestows less attention on the human hair, than the American. If this be said in regard to the oils and greases that are used, there never was a greater mistake made. We are pleased to know a Remedial Medicinal preparation is now offered in the market. It is not one of those clear coloured liquids, whose only merit consists of their beauty, but of intrinsic worth, which cures all diseases of the scalp, restores the hair to its natural colour when gray, and causes new hair to grow where it has fallen out; this is Hall's Vegetable Sicilian Hair Renewer. We speak of its virtues from actual use.—*Northern Gazette*.—[*Advertisement.*

RAPPE, WEBER, & Co.,

MANUFACTURERS OF

GRAND OVERSTRUNG SQUARE PIANOS,

Corner of King & Princess Streets

KINGSTON, ONTARIO.

RAPPE, WEBER, & Co. announce to the Public that they are now in possession of facilities for manufacturing Pianos unsurpassed, if equalled, by any in the Dominion.

The members of the Firm are Practical Piano Makers, and are anxious to establish their success in manufacturing enterprise by careful workmanship rather than by mere speculation. They are able skilfully to superintend every department, and are prepared to guarantee every instrument they sell.

For strength of manufacture and materials, beauty of finish, and durability and excellence of tone, they challenge the Dominion to produce superior instruments; and while they claim for their work evesy excellence that can be expected from skillful and enterprising workmen, they beg to announce that their resources are sufficiently ample to enable them to compete in prices with any speculator in Pianos.

The Subscribers keep no Travelling Agent. All orders addressed to the Subscribers, or sent through any respectable Music Dealer, will receive attention. Orders through mail will be attended to as if selected in person.
