#### Table.d Worship Installation, March 28th

Drop-in between 6:30 - 9 p.m.

*A new way to engage the themes and challenges of Holy Week...  
Worship installations are a new form of Christian practice, influenced  
by post-modern and emerging church movements. There are no preaching  
ministers, no singing choir, no bulletins or announcements or order of service.  
Instead, an installation provides interactive prayer stations, multi-media  
experiences, community art projects and guided meditations, all in a  
contemplative and artistically engaging space. The entire experience is  
self-directed and participants engage different stations and elements at their own  
pace. The experience is sometimes described as part art gallery, part worship  
service, and promises to be a meaningful opportunity for long-time adherents or  
folks newly interested in the Christian faith. All are welcome to experience the  
installation and stay for as long or as little as they choose. Check it out at  
[www.facebook.com/aworshipinstallation](http://www.facebook.com/aworshipinstallation).*
