CABLE NEWS.

Edinburgh, Nov. 4.—Mr John Bright was publicly received here yesterday by the Lord Provost and members of the city government, and presented with the freedom of this city.

The Court of Session of Edinburgh, on a final appeal, has rendered a decision disallowing the claims of women to the rights of the franchise.

Madrid, Nov. 4.—Gen. Dulce delays his departure for Cuba on account of sickness. He takes out a decree providing for the elections of Deputies in the Island. He is also instructed to carry into force measures to liberalize the administration of Cuba, to establish the liberty of the press, divide the Island into three provinces, and suppress unpopular institutions.

Gen. Contreras has been appointed Captain General of Porto Rico.

Olozaga and his party have issued a manifesto, urging the necessity of maintaining a monarchical form of government in Spain. The provisional government has received many petitions for the abolition of slavery. It is positively asserted that the Government will now recognize the Mexican republic.

London, Nov. 4.—The *Post* announces the following programme as quasi official: The dissolution of Parliament will take place on the 11th inst. All uncontested elections are to commence on the 16th, and contested elections in boroughs on the 17th, and in Counties at a later date. The new Parliament will be summoned to meet on Wednesday, the 9th of December, when the Queen's speech will be delivered, and the policy of the Ministry on the questions at issue announced. The Right Hon. John Evelyn Dennison will be re-elected Speaker. It is believed that the House will be ready to proceed to business by Monday, the 14th of Dec. The opposition will probably move as a test question an amendment to the Queen's speech, which the house will debate until Friday, the 18th, when it is supposed the motion will be carried by a large majority, and the House will adjourn until the following Monday. On the re-assembling of the House, the Premier will announce his resignation and that of his colleagues in the Ministry. Mr Gladstone will follow with a motion to adjourn over for the holidays, to afford an opportunity for the formation of a new Cabinet.

Berlin, Nov. 4.—King William to-day opened the session of the Prussian Diet with a speech from the throne. He said new sources of revenue were needed to provide for the increased expenditure of the kingdom. The relations of Prussia with all foreign powers were satisfactory and friendly. He hoped that Spain would succeed in independently reconstituting her affairs on a basis which would render the future welfare of her people secure. The King concluded by declaring that the wishes of Sovereigns, and the popular craving for peace, would ensure peace, and should remove those groundless fears of which advantage is too often taken by the enemies of peace.

Paris, Nov. 4.—*La Patrie* says and Mr Burlingame and the Chinese embassy will arrive in Paris in January. They will make propositions to open to foreign commerce ports on the interior waters of China; to have European consuls stationed at all the great cities of the Empire, and to send Chinese consuls to the principal cities of Europe.

Vienna, Nov. 4.—It is said that M. Von Beust urges a peaceful settlement of the Schleswig dispute.

London, Nov. 4.—The Sheriff of London gave a dinner this evening, at which Mr Reverdy Johnson was the chief guest, and had an enthusiastic reception. In reply to the toast, "The United States," Mr Johnson said, although a Southerner, he had always believed the Union would be preserved at any cost. He extolled the heroes of the war, and particularly Generals Grant, Sherman, Hancock, and Sheridan, and Admirals Farragut and Porter. He believed the American debt would be paid in gold, and said the American people would have been ungrateful if they had not elected General Grant to the Presidency.

Mr Johnson dines with the workingmen of London the last part of this month.

Madrid, Nov. 4.—The Provisional Government have abolished the customs duties of Cuba, Porto Rico, and Philippine Islands, on all goods and materials intended for works of public utility.

Officers and men of the Spanish Navy have been placed on the same footing as to rank and pay as those of the army.

FINANCIAL AND COMMERCIAL.

London, Nov. 5, p.m.—American securities quiet; Erie 27¼; Bonds 74¼; Illinois Central 74; Consols 94¼.

Liverpool, Nov. 5, p.m.—Cotton quiet.

New York Press Despatches.

New York, Nov. 5.—The *Tribune* claims 310 electoral votes for Grant, and 79 for Seymour. It gives the State 6,000 Democratic majority, and says it is now absolutely certain that the new Legislature of the State is Republican by not less than 14 majority, and probably 16 on joint ballot, insuring the choice of United States Senator for six years from 4th March next. New Jersey has been carried against Grant by New York tactics, New York naturalization certificates, and New York repeaters.

Omaha, Nebraska, Nov. 5.—Complete returns from eight counties in Nebraska give a Republican majority of 2132, a Republican gain of 954. Returns from different parts of the State show Republican gain in same proportion. The Republican majority cannot fall short of 4,000.

Indianapolis, Nov. 4.—Thirty-five counties have been heard from. Thirty-one of them give Republican gains of 3890. Grant's majority will be 11,000.

Nashville, Nov. 4.—Tennessee has gone for Grant by a reduced majority.

Havana, Nov. 4.—The Haytien war vessels Peton and Salnave have bombarded the port of Jeremie for three days. President Salnave commanded in person. The American, English, and French Consuls demanded time for the removal of women and children. The request was denied. When the bombardment commenced many women and children were killed. All the houses in the city, including the consular offices, were destroyed or badly injured. Indignation in Hayti against Americans was increasing, caused by the fact that the Haytien government was furnished with war vessels by the Americans. It was expected the bombardment of Jacmel would soon follow.

Santa Anna has arrived in St. Domingo. Venezuelan advices state that General Plaza has been elected President of Bolivar.

New York, Nov. 5, 3 p.m.—Gold 132½. Great excitement on Wall street, the whole list unsettled, even at declined prices. The stringency in the money market is of the severest kind.
