CABLE NEWS.

London, Dec. 24.—The London *Times* this morning in reviewing the recent report of the Treasurer of the United States, states that the Treasurer of the United States, states together a disheartening view of American finances.

London, Dec. 24.—It is regarded as almost certain that France and England will accept the conference for a settlement of the Mexican question.

London, Dec. 24.—The Judicial Committee of the Privy Council have rendered a decision in the case of Martin vs. Mackonochie, on an appeal from a judgment of the Court of Arches, by Sir R. Phillimore. The charges against Mackonochie were for mixing or prostrating before the consecration elements, and the use of lighted candles. The Privy Council, after a lengthy hearing and due consideration, to-day announced their decision against Mackonochie, and condemnation of the practices charged against him.

London, Dec. 24.—Vice-Chancellor Sir W. Page Wood succeeds the new Lord Chancellor, Sir Wm. Page Wood, as one of the Judges of the Court of Appeal in Chancery. Mr James has been appointed Vice-Chancellor, to fill the vacancy caused by the promotion of Sir G. M. Giffard.

Marseilles, Dec. 24.—Despatches have been received here, giving the particulars of a dreadful accident which occurred recently, near Smyrna, in Asia Minor. Two Egyptian mail steamers came in collision in the Gulf of Smyrna. It was said that over 400 passengers were killed by the shock.

London, Dec. 25—Russia has asked of Turkey and Greece a suspension of hostilities until the end of the Conference. The Ambassador of Austria is regarded as certain, and of Italy and Greece as probable.

London, Dec. 25, evening.—It has been whispered that the Conference of the Great Powers shall assemble in Paris early in January.

Paris, Dec. 25.—A despatch received here from Vienna states that the Austrian Ambassadors at Constantinople and Athens have been recalled and their positions filled by persons unobjectionable to both Turkey and Greece.

Paris, Dec. 25—The weekly statement of the Bank of France shows a decrease in the Bullion of 4,800,000f.

The Paris *Temps* (Democratic) said last evening that France and England have sympathy with the proposed Conference.

Paris, Dec. 25—Later dates from Rio Janeiro were received to-day. The news is quite important. The allies had attacked the Paraguayan position at Villeta in force. They were repulsed with a loss of 1200 killed and wounded.

London, Dec. 25.—The Earl of Shannon, Henry Carleton, died yesterday, aged 61 years.

London, Dec. 25.—A despatch from Vienna states that it is certain that the Western powers will agree with Austria respecting the Conference. The Sublime Porte has extended the time for the departure of the Greeks from the Turkish dominions to five weeks.

Paris, Dec. 25.—The *Patrie* last evening published the following despatch from Athens, dated Nov. 22nd:—The committee of action has addressed a petition to the Greek Government to support the popular feeling of the country, which is clearly for peace, and to avoid a war with Turkey.

New York, Dec 26.—The *Herald's* Athens special says the Greek Chambers have accorded to the demand for the approval of an extraordinary credit to the amount of one hundred millions of drachmas, and also for extraordinary levies of men for the army and navy, as called for by the Government, and reported in cable despatches of the 23d instant.

New York Press Despatches.

New York, Dec. 26.—In an address to the citizens of this country, George Francis Train, who arrived in this city on Thursday, announces that James Stephens has resigned to the supreme control of the Irish organization.

The *Tribune* says it may be considered certain that the 41st Congress will meet and organize on the 4th of March.

The *Times'* special says the proclamation on the subject of much comment here. Not much fault is found with it because it proposes to release all rebels from the penalties of their crimes as because the President thus assumes the exercise of a pardoning or dispensing power which is looked upon by many as simply a usurpation, and as in no way conferred by the clause of the Constitution which defines the power of the President to grant pardons and reprive. It is a popular movement by any means.

New York, Dec 25.—The steamer Australian, from Liverpool 12th, via Queenstown, arrived to-day. George Francis Train was a passenger.

Baltimore, Dec. 25.—Twenty-seven thousand cigars were seized on the steamer Cuba from Havana yesterday, for violation of the revenue laws.

Mr Beverdy Johnson has been memorialized by a large majority of members of Parliament to urge upon his government to adopt the system of penny-postage between the United States and Great Britain.

Among the revolutionary catechisms one occasionally hears the following in Madrid: "Who are the enemies of Spain?" "Isabella of Spain, Gonzales Bravo and Father Claret. The first robbed us of our liberties, the second of our money, and the third covered with his cloak the turpitude of the other two."

Polonius.—To thine own self be true;
And it must follow, as the night the day,
Thou canst not then be false to any man.
Hamlet Act I Scene 3.

Puffs are the known device of quacks and cheats;
Rapacious, striving by unscrupulous feats
Of turgid boasting, deftly to deceive
Victims unwary who their tales believe.
I scorn their arts, and vaunt no spurious ware—
Soundness in quality's my constant care.
In each transaction 'tis my anxious aim
Of MORRISON to keep the upright name.
No custom's sought where value's not return'd.
Such is my scheme. Adulteration's spurned!
