## BY TELEGRAPH.

### CABLE NEWS.

London, Dec. 30.—The following dispatch from Constantinople, dated yesterday, comprises the latest news on the subject of the Eastern Question. Great preparations are being made in the arsenals on account of the threatened war with Russia. Transports loaded with supplies have been sent to Hobart Pasha's fleet.

The new House of Commons met yesterday for preliminary business only. The members who were re-elected took their seats of office. Writs were issued for elections to fill vacant seats, after which the House adjourned until the 16th of February. It is the general impression that the Conservatives will be successful in the election for members of Parliament to fill vacancies.

Hiram Berdy Johnson the American Minister, in a speech, yesterday, to a deputation of the London Workingmen's Society, said that the Naturalization Treaty between the United States and Great Britain was certain of ratification by the United States Senate. The Treaty provides that a British subject who has been naturalized in the United States shall have the same right to protection on his return to Great Britain as a native born American.

Madrid, Dec. 30.—The Government will dispatch 10,000 soldiers from Cadiz for Cuba and Porto Rico during the month of January.

For the purpose of reducing the budget for the coming year, a suppression of 37 of the Captain-Generalships, Governorships, and Bishoprics has been suggested.

Marshal Paris, recently Governor-General of Madrid, is dead.

Manchester, Dec. 30.—The house of Brauner & Co., heavy dealers in manufactured cottons, suspended yesterday. The house had extensive American connections.

The weather throughout England continues wet and mild.

Paris, Dec. 30.—The official papers of the Paris speak confidently of the meeting and success of the Conference.

London, Dec. 30.—The Right Hon. Staff Col. H. Northcote succeeds the Earl of Mayo as Governor of the Hudson's Bay Company.

Vienna, Dec. 30.—The *Presse*, of this city, says that the Greek Government is about to comply with the recent demands made by Turkey and supported by the Great Powers of Europe.

Southampton, Dec. 30.—The Bavaria, from New Orleans, arrived to-day.

London, Dec. 31.—One day's later news has been received from Constantinople. The insurgents in Crete have all made submission to the Turkish authority, and a provisional Government has been established there.

FINANCIAL AND COMMERCIAL.

London, Dec. 31, p.m.—Consols for money and account 92¾; Bonds quiet at 74¾; Stocks quiet but firm; Illinois Central 96½; Erie 16½.

Liverpool, Dec. 31, p.m.—Cotton active and firmer and higher, 9¾d; Bacon 53s 6d; Lard 57s.

### New York Press Despatches.

New York, Dec. 30.—The livery stables of Briggs Bros. the most extensive in the city, was destroyed by fire to-night. There were 150 horses in the building, valued generally at $300 to $1500, all of which were either burned or suffocated. About twenty carriages, valued at about $1,500 together with harness, was also destroyed. The total loss probably is not less than $200,000.

New York, Dec. 31.—The *Herald's* London special says: In reply to Mr Bennett's challenge of the grand ocean yacht race, a challenge issued by Mr Ashbury, the latter raises objects to the first clause of the conditions respecting the tonnage, the Dauntless being 99 per cent larger than the America. In declining Mr Bennett's offer Mr Ashbury hopes that he shall have the pleasure of meeting the Dauntless at the Royal races that will come off in the English and French waters during the ensuing summer. In case no other American gentleman should accept the challenge for a grand ocean race, Mr Ashbury still intends to cross the Atlantic and join in the competition for the Queen's Cup in American waters.

In reference to Mr Bennett's proposed race from Cowes to New York, the London *Morning Post* of yesterday argues that a trip to the Azores and back would be decidedly preferable as a fair test of the respective qualities of the vessels.

The *Herald's* Indianapolis special says, the Erie Railroad Company has perpetually leased the Columbus, Chicago, and Indiana Central Railroad, which connects with the Erie and Great Western at Urbana, Ohio, and will lay a third rail over all its lines, amounting to 715 miles. The Erie thus secures a through broad gauge line to Chicago and this city, and will try to obtain possession of a route from here to St. Louis.

New York, Dec. 31.—By way of St. Thomas, Dec. 19th, we learn that affairs remain quiet at Venezuela. Advices from Rio state that a grand demonstration in honour of the independence of Cuba took place on the 5th instant, and its annexation to Mexico was favoured.

The *Tribune* special says the Chilian government has officially signified its acceptance of the proposition made by our government for a peace conference with Peru and Bolivia.

In the coal sale yesterday there was a large sale, averaging about 55 cents per ton.

## TO AUTHORS.

### Sabbath School Library Books.

FOR the purpose of promoting the native religious literature of the Dominion of Canada, and preserving interesting facts, narratives and incidents in the possession of private individuals, thereby rendering them generally useful, James Campbell & Son offer the following sums for the manuscripts of original works, suitable for Sabbath School Libraries, provided such MSS. come up to the standard required for publication

Three of Forty Dollars each,
One of Fifty Dollars,
One of Sixty Dollars,
One of One Hundred dollars.

In all, Six Books.

The character of the literature must be the influence of religion in ordinary life, as seen in the Dominion of Canada, in bush, lake, sea, farm or domestic life, in village, city, country house, store or workshop, and preference will be given to narrations of facts.

The books must be not only moral but of a decidedly religious character, and their teachings in accordance with the great Scriptural truths in which all evangelical denominations agree.

Each book should contain from 127 to 200 pages, similar in size to ordinary Sabbath School books, and may contain two or more distinct narratives.

The manuscript must be written in a clear, legible hand, and be forwarded to the publishers not later than the end of March, 1869. The award will be made the first week in May, by Professor Daniel Wilson, L.L.D. University College, who has kindly undertaken to examine the MSS.

Each package must be accompanied with an initial and address of the author, and those not chosen will be returned.

Any further information may be obtained from the publishers,

JAMES CAMPBELL & SON.

Puffs are the known device of quacks and cheats
Rapacious, striving by unscrup'lous feats
Of turgid boasting, deftly to deceive
Victims unwary who their tales believe.
I scorn their arts, and vaunt no spurious ware—
Soundness in quality's my constant care.
