RONA's ready for spring

Whether it's lawn and garden work, or an upcoming barbecue, the boys at RONA, assistant store manager Dan Monings and manager Riley McAneney, can outfit everyone for all outdoor projects. RONA Georgetown is your one-stop shop for all things spring. They are now carrying a full selection of spruce, cedar and pressured-treated wood along with drywall and concrete. The store, located at 348 Guelph Street, carries lots of lawn and garden supplies, as well as patio furniture and barbecues. Kitchen expert Jane Elford is also available to help with your design needs. Contractors are reminded to stop by for a barbecue Friday, April 19 from 12-5 p.m. where vendors will be on site and prizes can be won. Call RONA at 905-877-2947.
