THE LIEUTENANT-GOVERNORSHIP.

The Ottawa *Free Press* says:—We believe the term of office of Lieutenant-Governor Howland expires in July next. Speculation is already rife as to his probable successor. The names of Hon. John Carling, Hon. J. H. Cameron, and Hon. George Brown are mentioned in this connection. It would be a magnanimous revenge on the part of the leader of the Dominion Government to say unto his "ancient enemy"—"Evil, be thou my good," and emasculate Globular enmity by the seductive pleasures of the Government House at Toronto.

BLACKMAIL AND INTIMIDATION.

The Hamilton *Spectator*, in an article on the charge against Mr Dodge, says:—We wish to point out this fact: The publisher of the *Globe* had documents which, *it says*, bring the charge of forgery home to a member of Parliament. The publisher of the *Globe* took other members of the Grit party into his confidence. The publisher of the *Globe* and other members of the Grit party endeavoured to use this charge of forgery and the proof to influence Mr Dodge's vote. It is not simply the confession, it is the boast, of these men that *they offered to compound a felony for a vote in the House of Commons!*

These are the leaders of the Grits.

A MURDERER HANGED BY A MOB.

San Francisco, March 17.—The lynching of Tarpey, the murderer of Mrs Nicholson, near Monterey, this afternoon, caused great excitement in that city. The mob fastened a rope around Tarpey's neck and compelled him to stand in the box of a waggon. He was then told he must say all that he wanted to, for his time had come. Tarpey addressed the crowd for half an hour. The lynchers then drove the waggon away, and left the man hanging by the neck to a limb of a tree, his feet almost touching the ground. The crowd seized the rope and drew Tarpey up higher. Several of the lynchers drew pistols and fired into the body of the dying man. At last accounts the body was hanging and the mob watching the place. The affair caused intense excitement. For several hours armed men held possession of Monterey, and declared they would take Tarpey safely to Salinar for trial. The gaol guards offered no resistance, no shots were fired, and no one was injured. Tarpey's wife, sister and mother were near the gaol and witnessed the whole affair, and begged, with prayers and tears, the mob not to injure him. The leaders promised that Tarpey should not be hurt. The mob numbered over three hundred, and were heavily armed. Tarpey's relatives live in this city and are well known here.

It is a rare thing that physicians give any countenance to a medicine, the manufacture of which is a secret. About the only exception we know of is Johnson's Anodyne Liniment. This, we believe, all endorse, and many of them use it in their practice with great success.—*Adv.*

Persons requiring purgatives or pills should be careful what they buy. Some pills not only cause griping pains, but leave the bowels in a torpid, costive state. Parsons' Purgative Pills will relieve the bowels and cleanse the blood without injury to the system.—*Adv.*

James H. Johnston, Esq., Montreal, wrote in August, 1871, as follows: It affords me great pleasure to bear testimony to the benefit received from using Fellows' Compound Syrup of Hypophosphites. I found it a nervous tonic of great power and efficacy, curing me in a short time from general debility and nervousness, and I became robust and vigorous under its influence, and gained considerably in weight withal.—*Adv.*

SPECIAL NOTICES.

Improve Nutrition.

THE central idea in the treatment of all Chronic Wasting Diseases, resulting in Nervous Prostration and General Debility, is to improve the Digestion and Assimilation of Food, and the formation of Healthy Blood. Dr. Wheeler's Compound Elixir of Phosphates and Calisaya contains the only agents known that act directly as excitants of nutrition, by imparting tone to the Stomach, Liver and Pancreas, the great tripod that prepares nourishment for building up the organs and tissues of the body. The action of this remarkable preparation is extraordinary in strengthening and vitalizing the constitution, whether impaired by age, exhausted by excesses, bad habits, or run down by old complaints that have resisted all ordinary methods of treatment.

Being a delicious cordial to take, and perfectly harmless under all circumstances, it is eminently adapted to prostrate, anæmic women and delicate children.
