ABLE NEWS.

(Special Telegram to the Daily News.)

London, May 21.—The body of Sir E. Cartier has been embalmed. The funeral will take place here on the 27th, the body will be sent to Canada by the end of the 29th.

London, May 22.—The *Standard* of this morning publishes a despatch from Shenghai announcing that the palace of the Mikado of Japan at Yeddo was destroyed by fire on the 5th inst.

Charlestown, May 22.—The steamer [illegible], from New York, has arrived.

Barcelona, May 22.—Later despatches received from Sanahuja, states that twenty-one volunteer who surrendered to the insurgents were butchered in the streets. The fate of forty others is unknown, and it is feared they have been killed. The attitude of the insurgents has caused immense excitement here. The Militia assembled at the armories and demanded that the twenty-one held prisoner in this city be given up to them for execution in retaliation. The authorities refused to surrender the prisoners and transferred them to a vessel in the harbour to save them from the wrath of the militia. It is probable that a number of well-known Carlist sympathizers in Barcelona will be arrested, and held as hostages for the safe return of the volunteers now in the hands of the insurgents. A levy *en masse* up on the population for forces to operate against the insurgents is expected shortly.

FINANCIAL AND COMMERCIAL.

London, May 22, 11 a.m.—Consols 93⅜ for money and 93⅜ for account. Bonds of '65, old, [illegible], 94. Ten-forties 88¾. New fives 89.

Liverpool, May 22, 11 a.m.—Cotton steady. Sales 8¼. Orleans 9¼d.

NEW YORK DESPATCHES.

City of Mexico, May 21.—Congress will adjourn in a fortnight until next September. The family of the late President Juarez delivered to President Herdo de Tejada the sword of the Emperor Maximilian, which has been in their possession since the surrender. An election riot took place at Merida, in which 30 persons were killed and 50 wounded.

Cincinnatti, May 21.—Despatches from Memphis to-night states that Captain Montgomery, commanding, the steamer John H. Dickey, denies that there had been any cases of cholera on board his vessel.

New York, May 21.—Moran, tried in Boston for beating his wife to death, has had a verdict of manslaughter in the second degree, and was sentenced to seven years imprisonment.

Chicago, May 21.—An old man, evidently a miner, was found dead at Whisky Gulch last night with his skull fractured and pockets rifled. It is believed he was murdered for money.

A heavy rain storm, accompanied by thunder and lightning, began here to-day, and continued three hours. Much damage has been done.

San Francisco, May 21.—A despatch from Yreka states that Captain Jack is making his way towards the Pitt River, the Indians closely following by our troops. It is believed that a quarrel has broken out among the savages, two-thirds declaring they will fight no longer. A battle was fought at Antelope Creek on Monday. Captain Jack overhauled the Modocs, and a fight ensued in the hill's close to Fairchild's. The Modocs were driven South-East to the Tickner Road. Five Modocs are reported killed in the battle and ten squaws and Papooses captured. Trails have been discovered, showing that the Modocs and the Pitt River Indians have had a constant communication. It is feared the latter are with Captain Jack.

Philadelphia, May 22.—The new American steamship Pennsylvania sailed yesterday on her first trip to Liverpool. She has cabin and 64 steerage passengers, and a full cargo. A salute of fifty guns was fired from the wharf to commemorate the event.

Commercial.

The all-gone feeling which people sometimes feel, is sometimes caused by want of proper action of the liver and heart. These may be regulated, and the bowels regulated, by Parsons' Purgative Pills in small doses.

FASHION NOTES.

Polonaises with basque fronts are much worn.

Flowers have succeeded feathers as bonnet trimmings.

Suits of gray English waterproof cloth are the correct things for ocean travel.

Hysteria must be a fashionable disease among ladies, else why the universal vinaigrette.

Normandy caps of white Swiss over blue or pink silk are in great favour for breakfast toilettes.

It is said that hereafter a band of music will be the correct things at fashionable weddings.

Ladies' wearing apparel can be rendered uninflammable by a solution of sulphate of potash and alum.

The mania for old laces again rages; cold coffee produces the desirable tint of age quickly and effectively.

We are getting back in fashions further than ever. Ruffs are now worn so large that they have to be stiffened with wire.

Serenades will be quite the thing this spring, on account of the great favour into which part-singing has come of late.
