... Lend Me Your Ears

TWO MORE REASONS TO QUIT!

Exposure to cigarette smoke may hasten hearing loss as you grow older.

Monitoring more than 3,500 people between the ages 48 and 92 for 3 years, University of Wisconsin Medical School researchers found that smokers were almost twice as likely as non-smokers to have trouble hearing. Some scientists think cigarette smoke has a toxic effect on inner-ear cells, while others believe it may constrict blood flow to the inner ear.

GLT's Sylvia opens at Acton Town Hall Centre, April 12.

Have you seen this dog named Sylvia?

This incredibly woman-like canine has gone missing. Sylvia was last seen along the Stewarttown Road. It is believed that she is heading for Acton.

This incredibly talented "pooch" won outstanding performance by a female in a supporting role at the Theatre Ontario Festival last season and we expect amazing tricks from her this time around too. Amilia Goodrich plays the title role, Sylvia, in the Georgetown Little Theatre (GLT) production opening at the Acton Town Hall Centre on April 12.

So if you know her whereabouts, please give us a call at 905-877-3422 and leave your contact information. There is a reward for the first few "spotters".

And if you want tickets to this wonderful show, you may pick them up at Acton Home Hardware, Sports Unlimited or even at the door (where university and high school students with ID are only \$5).

For those wishing to use credit cards please call 905-877-3700 and order tickets from the JET Box Office. Hope we find her in time for the show.
