Literary Notices.

LACROIX' CANADIAN GUIDE AND BOOK OF REFERENCE. First Edition.

This is a very useful guide book to Canada, and will be of much service to tourists and the travelling public generally. It contains descriptions of most of the cities, towns and villages in Ontario, with their locations and the means of access to them. It also gives a list of the principal works carried on in the various places, and another list of the principal residents. The index and mileage tables are of great service also; but we would suggest that a general index to the places ought to be added also as well, as there would be less difficulty in finding out these places if this were done. On the whole, however, Mr Lacroix deserves great credit for his work.

LITTELL'S LIVING AGE.

The numbers of "The Living Age" for the weeks ending June 7th and 14th have following valuable and interesting contents:—Maury on Sleep and Dreams, Edinburgh Review; Niagara, by Prof. Tyndall, Macmillan's Magazine; Notes on Ghosts and Goblins, Cornhill Magazine; The Physical Effects of Forest upon Atmosphere and Soil, Academy; Two Acts of Self-Devotion, Blackwood's Magazine; Lecture on Mr Darwin's Philosophy of Language, by Prof. Max Muller, Fraser's Magazine; Malingering, Chamber's Journal; Godchildren, Pall Mall Gazette; The Literary Sin of Singularity, Spectator; with instalments of "The Parisians," by Bulwer (Lord Lytton); "Innocent," by Mrs Oliphant; "The Prescotts of Pamphillon," by the author of "Dorothy Fox," and "The Two Brothers," by the distinguished French novelists, MM. Erckmann-Chatrian; and poetry and miscellany. The subscription price of this 64 page weekly magazine is $8 a year, or for $10 any one of the American $4 magazines is sent with "The Living Age" for a year. Littell & Gay, Boston, Publishers.

THE ONTARIO TEACHER for June. Ross & McColl, Strathroy.

This is a very good number, and contains several articles of interest to teachers. The low subscription price, $1.25 per annum—ought to bring it within the reach of all.

AMERICAN NEWSPAPER REPORTER for June 9. George P. Rowell & Co., New York.

This number keeps up to the standard, and is a very useful guide to travellers. A curiosity in it is a notice of the magazine printed in Chinese characters.

THE MUSICAL TIMES for May. J. P. Shaw, Rochester.

Besides some excellent reading matter this number contains the music and words of a very pretty soprano song, "My Favourite Star," and also an instrumental piece, "The Laurel Waltz." The price is only $1 a year, and it is worth the money.

PEN AND PLOW. Pen and Plow Publishing Company, New York.

This is a monthly journal "devoted to the culture of the mind and of the soil," and with agricultural information blends useful instruction. The price is very low indeed, only fifty cents a year, and the magazine is well got up, and printed on toned paper. We commend it to our readers.

ANNUAL ANNOUNCEMENT OF THE WOMEN'S MEDICAL COLLEGE OF PENISYLVANIA.

This pamphlet is the 24th annual announcement of the above institution, and contains the names of the teachers, the course of study, rules of Government, and the information connected with it.

GOOD WORDS for June.—We have to thank Mr Henderson for this interesting periodical, the contents of which are: "Lady Bell" (continued), "Winter in the Rocky Mountains," by Canon Kingsley, "At the Gate," "Luther and the two Students," "Childrens' Hymns," "Letters from H.M.S. Challenger," by Prof Thomson, F.R.S., "Pictures of Italian Life," "The Prescotts of Pamphillon" (continued), "Spectrum Analysis," "Birthday Thoughts," "In the Woods," by Dean Stanley, "Canada to the Laureate," "William the Silent," by Principal Tulloch.

THE RAILWAY AND NEWSPAPER ADVERTISING COMPANY (limited), Montreal, have sent us their prospectus, which has been neatly printed at the *Gazette* Office. The company have a contract for advertising in the cars and railway stations, and will advertise in any of the papers of the Dominion, files of which are kept at the office. The company is composed of the best business men in Montreal. We wish them abundant success.

THE AMERICAN LAND AND LAW ADVISOR for June 7. Pittsburgh.

We are always pleased to receive this popular and valuable magazine, which ought to have a large subscription list.

The Lieutenant-Governor of Quebec met with a slight accident on Saturday, which will prevent him from going to Montreal to attend the funeral of Sir George E. Cartier. As His Honour was leaving his office, where the pavement is being relaid, his foot came in contact with a loose plank and he fell severely, bruising his right leg below the knee.

The Prince Edward County Railroad Company was organized at Picton on Tuesday; the Hon. Henry Stearns, Walter Ross, Chas. Bockus, Henry Hogan, Henry Shackell and Maurice Cavillier were elected Directors. Afterwards Mr Stearns was elected President, and Mr Bockus Vice-President; and Mr C. E. Legg, Civil Engineer, of Montreal, was appointed Chief Engineer. The surveying will be commenced immediately, and the road will be pushed through as rapidly as possible.

Moved by Mr Thompson, seconded by Mr Calvin, that the sum of $100 be granted to the General Hospital, $100 to the Hotel Dieu, and $50 to the Orphans' Home.

Moved in amendment by Mr J. R. Dawson, seconded by Mr Mills, that the sum of $300 be granted to the General Hospital, and that no grants be made to any other institution.

An animated discussion took place on these motions, several of the members objecting to the grants on the principle of granting money in the present state of the finances.

Moved in amendment to the amendment by Mr Graham, seconded by Mr Toland, that no grant be given to any of the hospitals on account of the pressure on our finances.

On motion, the Council adjourned till two o'clock, and Mr Joyner announced that the band would play at Mr Waggoner's to-night at 8 o'clock.

DROWNED.—We learn that on Monday, the 2nd inst., Charles Spencer, of the township of Abinger, innkeeper, was drowned under the following circumstances:—Spencer went out fishing on the Mashino Lake in a birch canoe with his son about six years. Having caught a fish, he turned round to place it in a box, and in doing so capsized the canoe. Spencer managed to place his son in the canoe and endeavoured to approach the land, but sunk within a short distance of the shore on sixty feet of water. The neighbours were all absent, so that there was no assistance available. The body has not been discovered, although the lake has been dragged nearly every day since. Spencer is said to have been a sober, industrious man, of good character. The boy was saved.
