FROM OTTAWA.

Ottawa, July 27.—Hon. Mr Langevin arrived in town yesterday afternoon. It is expected that all the members of the Government will be in town before the close of the week.

Rumour has it that a Royal Commission will be issued to several Judges to investigate the Pacific Railway charges.

The Ottawa base ball club have received an invitation to be present at the base ball tournament in Adams, New York.

A petition has been presented to Governor Dix praying for the pardon of young Walworth, who lately shot his father dead.

Avery handsome stained-glass window has lately been placed in the Church of St. John the Evangelist, Port Hope, in memory of the late John Shuter Smith. The design is wrought in antique glass of the finest description, the window is a double lancet, and the subjects illustrated in it are "The washing of the desciples feet by our Saviour," and "The descent of the Holy Ghost, on the day of Pentecost." The inscription beneath is simply "John Shuter Smith, 18th January, 1871."

A public meeting has been called by the Mayor of Cornwall this Monday evening in accordance with a large and influential requisition to memorialize the Goverment General not to prorogue Parliament until the Huntington charges have been investigated, either by a duly constituted Parliamentary committee, or at the bar of the House of Commons.

The steam yacht, Lady Dufferin, owned by Messrs. L. & W. Black, has been sold to a gentleman in Montreal for $1,500. She was one of the fastest boats of her size in Canadian waters. Local pleasure seekers, who wish to spend the day cruising about amongst the islands, will now have to confine themselves to the steamer Belle, which they will find a pleasant little craft.

DR. WISTAR'S WILD CHERRY BALSAM.—This Balsamic compound has become a home fixture. Let all who suffer, and have in vain attempted to cure their coughs, colds, bronchial or pulmonary complaints, make use of this unequalled remedy. It can be relied upon, the mass of testimony that has been published since its introduction, being ample proof of its efficacy.—*Adv.*

Borrowers have the option of repaying the principal either by annual instalments or in one sum at the end of the term. If the security prove satisfactory, the loan may be renewed for a further term.

The expenses will be found very moderate, and it is optional with the borrower either to have them deducted from the loan or added to the principal.

No commission charged either on the original loan or the renewal.
