HOLLOWAY'S OINTMENT
A DREADFUL BAD BREAST CURED IN ONE MONTH.

Extract of a Letter from Mr. Frederick Turner, of Pensford, Read, dated December 13th, 1846, to Professor Holloway, &c.

DEAR SIR,—My wife has suffered from Bad Breasts for more than six months, and during the whole period has the best medical attendance, but all in no use. Having before heard as your fame, I determined again to try your universal medicine, determined again to try your Pills and Ointment, and therefore gave them a trial in my family, and therefore it was I did so, for in 10 days a much greater cure was effected, and the benefit that various other branches of my family have derived from your Pills is astonishing. I most strongly recommend them to all my friends.

(Signed) FREDERICK TURNER.

Margaret McCaughan, aged twenty-four, residing at New Town, Hobart Town, Van Diemen's Land, was for upwards of two months, during that period confined to her bed, in Hobart Town, and by the time she was convalescent, she was so much reduced, that her friends thought she would not survive.
