IS CALCULATED

TO CHANGE THE WHOLE SYSTEM

Following extract of a letter between a gentleman of respectability, who has thoroughly tested the virtues of the above medicine:

"I have been in the habit of using it in my family, and which goes to show its value to general consumption, I have thought it my duty to recommend it to Parents to the City of Kingston. Wholesale Wm. Wilson.

Bath, March 1st, 1852.

DEAR SIR—As no one a debt of gratitude to those who have been the agents in saving or restoring to health my little boy, I will accept my most sincere acknowledgements of the benefit which I have personally received from the use of your medicine. In 1849, before starting on the journey and route to California, I purchased a stock of your medicine, and I have since taken it in my family with powerful and beneficial effect. Twice I had the misfortune to be prostrated by the Cholera, once in Chicago, once in the Cholera was raging in Sacramento, I have no hesitation in ascribing the preservation of my life to the use of your medicine. Yours Respectfully,
