HEALTH FOR A SHILLING Holloway's Pills. EXTRAORDINARY CURE OF LOSS OF HEALTH, DISORDERED STOMACH, INDIGESTION AND DEBILITATION OF MORTON, NR. YORK. Copy of a Letter from Mr. John Lund, of Everingham, near Harlech, Merionethshire. To Professor Holloway, Sir,—I send my off of the first opportunity of informing you, that for a very long period I was ill used with a dangerous giddiness and frequent vertigo; in the head, attended by loss of appetite, disordered stomach, and generally impaired health. Every means did I falsely give me any permanent relief, and at length it became so alarming that I was really afraid of going about without an attendant. In this melancholy condition I applied personally upon Mr. Hughes, Chemist Harlech, for the purpose of consulting him as to what I had better do; he kindly recommended your Pills, I tried them with a shilling box, and taking them for a short time I am happy to bear testimony to their wonderful efficacy. I am now restored to perfect health; and cheerfully do I avail myself of this, to make public this letter in any way you may think proper. I am, Sir, your obedient servant, John Lund. June 6th, 1852. (Signed) JOHN LLOYD. MARVELLOUS CURE OF ASTHMA. EXTRACT OF A LETTER FROM Edward Rawlyer, Esq., of Indian Walk, Tobago, dated April 5th, 1852. To Professor Holloway, Dear Sir,—I deem it a duty I owe to you and the public at large to inform you of a most marvellous recovery I have made from a long, lingering, and painful, and, under Gods, almost incurable Asthma, which I had for 3 years. I was tried by every other eminent medical man, and shilling treated by them, but without any benefit, I was at last induced to try your Pills, which I did, and, to my great surprise, I had not recourse to your Ointment, but continued to use the Pills, and in a short time I was entirely free from the Asthma, and have continued so ever since. I have no hesitation in adding my testimony to the many others, that I have received from your Pills, and I shall be happy to do any thing in my power to make your invaluable Medicines known in this Island. I am, Sir, your obedient servant, (Signed) J. THOMP-ON. A MOST EXTRAORDINARY CURE OF A MORBID SKIN DISEASE WHEN ALL MEDICAL AID HAD FAILED. Copy of a Letter from Mr. Hart, Draper, of Keady, near Gainsboro', dated March 1st, 1852. To Professor Holloway, Sir,—I feel it my duty to make known to you the wonderful cure of my children, who were afflicted with dreadful eruptions over the body and limbs. I obtained the advice of many medical men, but without any benefit, all of whom the case was considered hopeless. I at length tried your Ointment and Pills, and without exaggeration, the effect was miraculous, for, by persevering in their use, all the eruptions quickly disappeared, and the children were restored to perfect health. I previously had a child afflicted with a similar complaint, and I firmly believe, had I no her these medicines at command, her life would have been saved also. I shall be happy to certify the truth of this to any enquirer. I remain, Dear Sir, yours faithfully, (Signed) J. M. CLENNELL.
