SPALDING AND ROGERS'

NORTH AMERICAN CIRCUS.

Twice as Large as any other Circus in the Union.

C. J. ROGERS, Manager. V. C. WILLITS, Treasurer.

☞ To the Public.—The Managers aware of the many false representations, held forth on the bills of Circus Companies generally, assure the public that the Forty Horses will positively be driven in Procession, by one man in each town where the Company exhibits.

The above Establishment will exhibit at KINGSTON on

Tuesday & Wednesday, 16th & 17th Aug't

Doors open at 1½ and 6½ o'clock. Performances commence at 2 and 7 o'clock P. M. Admission 25 cents. No half price.

The characteristics of this Establishment consist in the largest collection of

MUSICAL, EQUESTRIAN, GYMNASTIC & DRAMATIC TALENT

Ever collected in one travelling company, with the most distinguished native and foreign male and female performers. Prominent in the galaxy of Stars, attached to this Company, are C. J. ROGERS, the best Dramatic Equestrian in the world. A. P. DURAND, the world renowned Acrobat and Equestrian. W. W. NICHOLS, the Great American Bare Back Rider. J. MCFARLAND, the great light rope performer. MR. R. WEBB, the gentlemanly Master du Cirque. MRS. H. ORMAND, the celebrated actress from the Broadway Theatre, N. Y. MASTER CLARANCE, the youthful Trick Rider. CHARLES BROWN, the celebrated Gymnast. MONS. LE THORN, the renowned French Hercules and cannon ball Juggler. MRS. W. LEE, the brilliant Creole Gymnast. MONS. HENRIE, the celebrated Man Monkey. J. W. PAUL, the Yankee Sampson; and

Messrs. Walters, Farmons, Logan, Clark, Wilson, Brown etc.

TOGETHER WITH THREE CLOWNS IN THE CIRCLE,

BILL LEE, the great New Orleans; H. MACGROS, the Trick Clown; J. LE THORN, the French Hercules and Grotesque; and the Motley Brothers, JUAN and HENRY

A whole troupe, the largest in the United States, of trained, Peforming War Horses, and LILLIPUTIAN TRICK PONIES, more than Brute and less than Human.

THE WORLD RENOWNED APOLLONICON,

Drawn in Procession by forty Horses—four abreast (driven by J. W. PAUL, one of the Strongest Men in the World,) containing CHOATE'S PHILADELPHIA BRASS BAND, will enter each town in which the Company exhibits, positively. The next great feature is the Incorporation of an entire Dramatic Corps of Actors, Actresses, Commodians, and Supernumeraries, producing every night the popular and exciting Pantomine, DETROIS AMANTS! In which the whole Dramatic Force of the Company is put in requisition, with the introduction at enormous expense, of

THE MAN MONKEY, MONS. HENRI,

Whose peculiar physical structure and rare muscular developement, enable him to imitate the wonderful agility and superhuman Feats of the Monkey so closely that with an ingeniously contrived Monkey skin in which he is enrobed, it is always a matter of doubt with the most penetrating observer, whether he is not after all a bona fide chattering ape. The most amusing Pantomine of the age becomes doubly ludricous and amusing with this most wonderful of human beings as JOCKO.

Prominent among the most Daring Feats of this establishment will be found the new act entitled

LA PERCHE EQUIPOISE.

The Chef d' Oeuvre of Franconi's Hippodrome, by those great Artists, Messrs. LAFTHORNE & MACHLTON, who have been engaged at enormous expense expressly for this startling feat ever witnessed by mortal.

JOHNSON, Agent.

Kingston, July 29th, 1853. 178

Dissolution of Copartnership.

THE undersigned Copartners, heretofore doing business in Kingston as Hardware Merchants, under the firm of HOLLAND BROTHERS, is this day dissolved by mutual consent. All debts due to and by the late firm will be settled by Geo. B. Holland.

Belleville, Aug. 3rd, 1853. 174

FOR SALE,

A FINE BROWN HORSE, 6 years old, (Panmure Colts good breeder; stands 16 hands. Price £50. Apply at the stage office.

Kingston, August 1st, 1853.

ARMY SUPPLIES.

SEALED TENDERS, in duplicate, marked on the envelope, "Tender for ——," (as the case may be,) will be received at the Commissariat Office, Kingston, until noon, on

Wednesday, the 24th August, 1853,

from persons willing to enter into Contracts for furnishing such quantities of the undermentioned articles as may be required for the use of the troops stationed at Kingston and dependencies for one year, ending 30th September, 1854, namely:—

FLOUR.

1600 barrels of inspected superfine, of the best quality; to be delivered into the Commissariat Stores, free of charge. Payment will be made on each delivery.

BAKING BREAD.

The flour will be supplied by the Commissariat, and the Tender to state the number of pounds of bread that will be returned for every 100 lbs. of flour, and the price in currency that will be given for each empty flour barrel.

FRESH OX BEEF,

Of unexceptionable quality: to be properly slaughtered, and to consist of equal portions of fore and hind quartets. The price per 100 pounds to be stated. Payment monthly.

FORAGE.

The ration for Artillery and Cavalry to consist of

10 lbs. of Oats,
12 lbs. of Hay,
8 lbs. of Straw.

And for the Staff and Regimental Officers,

9 lbs. of Oats,
10 lbs. of Hay,
6 lbs. of Straw.

Tenders to express the rate for each description of ration to be delivered to officers, and others, at their quarters and stables.—14 lbs. of Bran, in lieu of Oats, and during the proper season, 36 pounds of green grass, instead of hay, to be supplied by the Contractor when demanded. Payment monthly.

CANDLES.

Tallow Mould—9000 pounds of the best quality in boxes of 50 pounds each, 6 and 8 to the pound, at such periods as may be demanded. Price per 50 lbs. to be stated—payable on each delivery.

FUEL WOOD.

5000 Cords Fuel Wood, of the best quality; to consist of hard maple, hickory, black and yellow birch, and beech; 700 cords to be delivered at Fort Henry, and the remainder at Kingston. Deliveries at the rate of 500 cords per month; the price per cord to be stated. Payable on each delivery.

HOSPITAL SUPPLIES.

Of Provisions and Medical Comforts, &c., for the use of the Military Hospitals, in such quantities as may be required. A list of the articles, with particulars, may be had at this office. Payable monthly.

OATEN STRAW.

Of the best description, free from weeds, in such quantities as may be required for the bedding of the Troops. Payable two monthly by Ordnance draft on the Commissariat Chest.

LAND TRANSPORT.

To such extent as may be demanded, and for which payment will be made monthly.

Town Cartage, do do do.
Cartage of Fuel Wood, do do.

WATER FOR THE TROOPS AT FORT HENRY.

In such quantities as may be demanded: payable monthly. It is to be understood that this contract will cease, on due notice, when the tanks yield a sufficient supply, and re-commences when that supply falls short of the quantity requisite for the use of the Garrison.

WATER FOR THE HIRED HOSPITALS AT KINGSTON.

In such quantities as may be demanded: payable quarterly.

Separate proposals will be required for each service on printed forms of Tender, to be obtained at this office; no other will be noticed. Each tender to be signed by the principal and two responsible persons, as securities.

Carts and other conveyances engaged on the public service will be exempt from payment of toll on the Cataraqui Bridge.

Supplies imported for the use of the Troops will be admitted duty free.

Tenders for Fresh Beef and Flour to specify the rate at which those articles will be delivered under two modes of payment; namely, Bills at par, and Specie and Bank Notes; with the distinct understanding that it will be optional with the Commissariat to accept of either tender. The remaining supplies and other services, above mentioned, will be paid for at the option of the Commissariat, either in Specie or Bank Notes.

Conditions of the several Contracts may be seen, and further particulars made known at this office on application.

Commissariat Kingston, } 1st August, 1853. } 137

June 11th, 1853. 165

Cancer and Rupture Cured

IF those who suffer will not listen to a few words to get help, how will they hear many to these afflicted with Cancer, Ulcers, Rupture, or Breach, and all kinds of old, eating sores, from any cause. A few words to all such of you who are clasped in strong bands of steel to obtain relief, and find none, I would say, come to one who possesses a remedy to cure nearly all who have a breach or rupture, no matter of how long standing. Lay aside your iron band or truss, and I will bring you out well and sound with mild treatment. Cancers and Ulcers cured in their most aggravated forms.

This dangerous disease gives in the form of Pimples, Warts, Scales, Tumors, Ulcers, Eating Sores and Various other ways. The premonitory symptoms of Cancer in the incipient state, are an itching in the part affected sometimes an unusual heat, attended with a twitching and a sensation felt as if there was a spider or a fly crawling over the part; then succeeds a cooling and darting pang at intervals of a day, sometimes, and becomes more frequent as the disease progresses.

To-morrow is no day to apply for cancers.

Several hundred cases have been cured in the last five years by this treatment. Ninety one cases cured from one hundred and ten in the last six months.

NAMES AND RESIDENCE OF A FEW CASES LATELY CURED.—Miss Campbell, Brandon, Vermont, 16 years standing, three large cancer ulcers on the leg. The most astonishing cures lately effected ever known in America on Samuel Slocum, of Providence, R. I., a rupture of six years standing. On Peter Boles, do, the bite and scratch of a Lion on the hand of the keeper of Scales' wild animals Boston, who was saved at the eleventh hour, after all his physicians failed, also, a rupture on Mr. Brown's boy and one on James O'Conner of Philadelphia, Miss Finley 588, Grand Street, New York, eating cancer ulcer on leg, two years; J. Macan, Norwich, Conn., on leg eating cancer, 3 years; J. Huling, Michigan, on hand, one finger eat off; Nancy Craig, Saratoga, on hip, eating cancer, 3 years; C. Morrison, Saratoga, on hand, ulcer, one year; Macomber Ballston, eating cancer on lip, five years; W. Wright, Saratoga, tumor on face and neck, one year; McAllister, Saratoga, four cancer ulcers on head, of three years; Mrs. Burch, Gorinth, New York, on face and nose, twenty one years; J. Brown, Turner's Station, New York and Erie Railroad, cancer ulcer on face of sixteen years; Miss Hoyt, Michigan, on hand, nineteen years.

The greatest cure on record lately done in Philadelphia on Mrs. Flew, a cancer of six years standing on the right side, neck and face, had been to Europe, and applied to the best medical aid in America, all to no effect, till the Indian Doctor took her in hands.

Besides did you ever see the true natives of the soil with Cancer, Ulcers, Ruptures, Breaches or Sore eyes, but who had long, straight, glossy hair and plenty of it and was healthy in their natural state. No, never; and what God caused to grow to help nature on her road, let it be used, now a days, by the pale faces. All persons can be treated at home by sending a full description of their case, and have the remedies forwarded to them.

Nature's own remedies for the cure of Cancer Ulcers, Ruptures or Breaches, Sore and inflamed eyes, Felons, Scrofula, Gatherings, old eating sores, all diseases of the blood and skin, for purifying the blood, to cleanse and regulate the stomach and bowels, all prepared from Barks, Gums, Roots and Plants, by no other person in the Union, only the INDIAN EYE, CANCER and RUPTURE DOCTOR, and sold with full directions for using the same.

Let every one afflicted meet me at Stevens' City Hotel, Kingston, August 2nd and 3rd, Watertown, 4th; Rome, 5th and 6th; Watertown, 10th and 11th; Kingston, 12th and 13th.

Kingston, August 2nd, 1853 17

THOS. J. ANGEL, Agent.

OFFICE,—Market Square, opposite E. W. Palmer's Drug Store.

Kingston, C. W., July 1, 1853.

River St. Lawrence.

NOTICE is hereby given, that TENDERS addressed to the "Commissioner of Public Works," will be received at this Office, until THURSDAY, the FIRST DAY of SEPTEMBER next, for the opening and permanently defining a navigable channel throughout the whole of the Rapids of the St. Lawrence, from Prescott to Montreal; such channel to be not less than 200 feet in width, to have at no place, at low water, a less clear depth than 12 feet, and in those Rapids subject to much swell, not less than 13 feet.

This to be stated in the Tenders, both for the entire work necessary to open and permanently define a channel, as above mentioned, and the period for its completion.

The test for the Channel being so opened to be, the passing of as many vessels as the Commissioner of Public Works may consider necessary, each vessel to be so loaded as to draw ten feet water.

The security for the performance of the work to be single and "bona fide." Conditions of payment and any other information may be known by applying at this Office.

Tenders to be endorsed "Tender for improving the Rapids of the St. Lawrence."

By order,

THOMAS A. BEGLY,
Secy.

Department of Public Works, } 29th June, 1853. } 15.
