

Ice Storm 2013 - Town of Caledon

Caledon was one of the hardest hit areas in the recent ice storm. As the Town recovers from the storm, focus now turns from emergency response to clean-up efforts.

SPECIAL COUNCIL MEETING

Please Note: A Special Council Meeting to discuss the Town's response to the Ice Storm will take place on Tuesday, January 7, 2014 at 2:00 p.m. at Town Hall.

HYDRO

To report a power outage or trees fallen on hydro lines, please call Hydro One at 1.800.434.1235. To view the status of outages, visit the Hydro One outage map at www.hydroone.com

GARBAGE, RECYCLING AND FOOD WASTE

On their scheduled collection day, from Monday, December 30, 2013 to Friday, January 10, 2014, residents may place unlimited quantities of acceptable waste at the curb. No garbage tags will be required for this period only.

YARD WASTE

- In order to assist residents with the removal of excess wood and brush debris, the Region of Peel will begin collecting small bundles of wood and brush from the curb beginning January 13, 2014 on regularly scheduled collection days. For more information visit www.peel.ca/pw/waste
- Bundles of wood and brush must not exceed 1.2 m (4ft.) and 76 cm (30 in.) in diameter and weigh no more than 20 kg (44 lbs.) to ensure collector safety.
- Residents and contractors can also drop off yard waste, bundles of wood and brush at any one of the Regional Community Recycling Centres; fees will be waived at this time.

TREES

The Town of Caledon continues to receive reports regarding downed trees and branches on public and private property. Major roadways have been cleared and staff is currently focusing on clearing trees that pose a hazard to obstructed sidewalks, driveways, and other safety-related situations.

- Residents should expect delays in clearing non-hazardous fallen trees and branches at this time. Please remain cautious when walking, and when possible avoid woodlots, trails, parks and open spaces until the situation has been mitigated.
- **Trees on Hydro Lines** -- If there are any trees impacting hydro lines, please contact Hydro One at 1.800.434.1235. Please note that the Town cannot remove any trees that are impacted by Hydro lines until the danger has been removed.
- **Public Trees** -- The Town of Caledon is committed to working quickly to remove fallen trees and limbs from Town property. If there is a fallen boulevard tree (between the road and sidewalk) please contact the following:
During normal business hours, contact the Town of Caledon at 905.584.2272.
After hours, please call the Region of Peel After Hours Line at 1.800.563.7881.
- **Private Trees** -- For privately owned trees, residents are encouraged to contact a local arborist to assess the situation. Residents are asked to please refrain from moving privately owned tree debris onto the curb as this may create problems with ongoing maintenance.

SAFETY

The Town of Caledon Fire and Emergency Services urges homeowners to be safe during a power outage. Visit www.caledon.ca/fire

Coaches Cup on ice Friday

The third-annual Coaches Cup fundraising game will be contested this Friday at the Mold-Masters SportsPlex, with proceeds going towards the fight against cancer.

This year's event will be held in support of 17-year-old Eion Campbell, a goalie in the Halton Hills Minor Hockey Association's juvenile house league who was diagnosed with non-Hodgkin's lymphoma in November and is currently receiving chemotherapy treatments.

Doors open at 6:30 p.m. with a free hour-long skate for kids.

At 7:45 p.m. a game featuring the bench bosses from the newly formed HHMHA and the North Halton Girls' Hockey Association will take place, followed by another contest between Team Eion (comprised of midget boys and midget girls' teams) and the Halton Hills Firefighters.

Advance tickets are \$5 or admission will be \$7 at the door.

Kids wearing Thunder or Twisters jerseys accompanied by an adult will be admitted free of charge. Proceeds from the event will go to Cancer Assistance Services Halton Hills.
