SEALED TENDERS will be received by the Postmaster General at Quebec, until *Saturday, the 15th October next,*

FOR THE

**Conveyance of Her Majesty's Mails,**

BY STEAMER,

SIX TIMES PER WEEK,

*Between Hamilton, Toronto, Kingston, and Montreal,*

On a contract for three years or seasons of Navigation, commencing on and from the opening of Navigation in the year 1854; or the said contract to continue, at the option of the Postmaster General, until the completion of the Railroad between the two cities.

The conveyance to be made in first class, swift, and well appointed Steamboats.

Time—Downward Trip.

The Mails to be taken from the Hamilton Post Office every day, save Sunday, at 7 o'clock A.M., to arrive at Toronto by 11 o'clock A.M.; to leave Toronto at 12 o'clock Noon, and to be delivered at the Montreal Post Office by 5 30 P.M. on the day following or within thirty-four and a half hours from the time of departure from the Hamilton Post Office.

Upward Trip.

The said Mails to be taken from the Montreal Post Office every day, save Sunday, at 12 o'clock Noon; to arrive at Kingston by 2 o'clock P.M. on the day following, at Toronto by 5 30 A.M. on the second day, and leaving Toronto at 6:30 A.M., to be delivered at Hamilton by 10 30 A.M., or in forty six and a half hours from the time of departure from the Montreal Post Office.

The Mail Steamers will stop at and serve the following Offices on each upward and downward trip:—Toronto, Darlington, Port Hope, Coburg, Kingston, Gananoque, Brockville, Prescott, Matilda, Morrisburg, Cornwall, and Coteau Landing; and in addition, the Office at Dickinson's Landing, on the upward trip only.

The Mails to be taken to and from the several Post Offices, including Hamilton and Montreal, at the expense of the Contractor

The detention at each Post Office, for the purpose of exchanging Mails, not to exceed ten minutes, except at Kingston, where half an hour, and at Toronto, where forty minutes will be allowed.

A room, as an office, in such part of the steamer as may be approved of by the Postmaster General, to be provided in each steamer employed on this service, for the reception and safe-keeping of the Mail-bags and of Letters posted on board the boats, and to include such accommodation as may be required for a Post Office Conductor or Agent. The Postmaster General to have the right of sending a Mail Officer or Agent with each trip of the Mail, and the said Mail Officer to have cabin passengers' accommodation and fare, as well whilst the boat to which she may be attached is in port as whilst running, free of all expense or charge for the same.

A fine or penalty not exceeding £5 may be imposed by the Postmaster General for every half hour which may elapse beyond the stipulated time for delivering the Mails, either upward at Hamilton or downward at Montreal or for omitting to serve any one of the intermediate Offices included in the Contract unless it be shown, to the satisfaction of the Postmaster General, that the delay or omission has arisen from stress of weather, or other cause beyond the control of the Contractor.

During such period in the Spring and Fall of each year or season, when steamers navigate a portion only of the route between Hamilton and Montreal, the Contractor will, if required so to do, provide for the conveyance of the Mails by Steamboat, over such portion of the route in like manner as if the whole route was open and practicable, and payment will be made for such partial service, in proportion to the distance covered, at the ordinary rate of the Contract.

Each Tender must state the price asked for each single trip from Hamilton to Montreal, and vice versa, in words at length, and must be accompanied by the written guarantee of two responsible persons, undertaking that, in the Tender being accepted, the Contract shall be duly executed by the party tendering, with good and sufficient sureties for the performance of the same.
