Toronto Markets.

Feb. 22.

FLOUR.—Since receipts of the conflicting news by the Baltic, sellers have generally withdrawn from the market, waiting further confirmation of the reported decline in Breadstuffs. Sales at my office since the Baltic's news, 2,000 barrels; 50 at 33s 6d, 500 at 33s 9d and 1000 at 35s in store here; immediate delivery with freight engaged this week to Oswego by propellers and Rail for New York and bought for shipment to Liverpool.

REMARKS.—The Flour and Wheat from the head of the Lake, Branford, and West of Branford is being shipped to New York by Rail. Holders are anxious to be realizing. Shippments will commence this week at this port. Freight has already been engaged by propellers to Oswego for 5,000 barrels, consigned to J. Wilmot & Co., New York. There will be but little Flour to go forward to Montreal on the opening, unless upon purchase: this will tend to cheapen freights that way.

WHEAT.—Several parcels changed hands on private terms for spring delivery. Farmers are bringing forward their wheat freely, fearing a sudden reaction. Coarse grains are higher here than at the seaboard.

HURD'S GOLDEN GLOSS

FOR THE HAIR.—Among the many preparations for the growth of the Hair, this GOLDEN GLOSS takes the lead.—Three reasons will be given why it is so universally used and preferred to all others.—1st. Because it has proved the most effectual in Baldness. 2nd. Because it imparts a beautiful dark gloss and delightful perfume to the Hair. 3rd. Because the Ladies, with fine discrimination, which they all possess, have adopted it. Many other reasons could be given why it is a great favorite, but those who want more have only to give it a trial.—Price 25 cents in large bottles. For SALE by Druggists and Storekeepers everywhere.
