THE undersigned will sell by public Auction, on Wednesday, 26th July next—The remaining unsold Lots on the above Streets, the property of the Hon. John A. McDonald and David Shaw, Esq.

Their proximity to the city, being nearly equidistant to the City Hall by either of the main thoroughfares of Princess and Union Streets, or by Johnson Street, which is now being extended, and will intersect the junction of Collingwood and Nelson Streets, renders them in every point of view unsurpassable for city residences. CONDITION POWDERS
For Horses and Horned Cattle.

THE change of weather and season with the change of use and feed, have a very great effect upon the blood and sinuous fluids of horses. It is at these changes they require an assistant to nature to throw off any disorder o the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Botts, &c. All of which will be prevented by giving one of these powders once a year, either Spring or Fall, and will, at any time, cure when any symptoms of disease appears, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed.

One or two Powders will perfectly cure a recent Founder in 6 or 8 days without leaving least effect in the feet, if no blood is let, and nothing else done, only to give the powder as directed. Bleeding changes the inflammation acute to chronic, and settles in the feet. In Horse-Distemper, they allay the fever and promote a healthy termination of the disease.

One Powder will in all cases cure the Horse-Distemper in a cow, without doing the horse or doing anything more than to give the Powder recommended for a horse. An ox will sometimes require a double dose, or 2 Powders.—Every cow should have one Powder given her after calving, it carries off all fever, and cleanses her well, and makes her milk good and abundant through the season. Their effect is the same on all herbivorous animals.

As there are many imitations and counterfeits, see that you get "PUNDERSON'S CONDITION POWDERS." Agents for this City E. W. PALMER, CHAS. HEATH and G. BAKER & Co.

THE undersigned offers for sale SEVENTY-NINE TOWN LOTS, each containing about one-fifth of an acre of land. Of these Lots there are are 32 lying between the proposed continuation of UNION and JOHNSON STREETS, and situated on each side of COLLINGWOOD STREET. These Lots are laid out on a gradually ascending ground which offers every advantage of salubrity and prospect, and they front on a well macadamized street.

There are also 30 Lots fronting on Nelson Street, and lying between Johnson and Princess Streets. These lots are also eligibly situated, on high and well drained land and lead directly into Princess Street, the principal avenue of the city.

The whole of the property is bounded on one side by the Ordnance Reserve, which forms, in fact, an airy and handsome Park, and which will prevent the Lots offered for sale from being incommoded by an unpleasant neighborhood.

The lots are offered on the following terms, viz:—One tenth down, and the remainder in nine equal annual instalments, and interest on the unpaid balance. These terms will enable persons of limited income to purchase without inconvenience, the first deposit being so small, and the subsequent payments extending over so long a period.
