Making a good impression

Joshua Kelly DD is a Denturist with Halton Hills Denture Clinic, a newly established practice in Georgetown. Kelly is a graduate from George Brown College with the Dean's Award in 2008 and is registered with the Denturist Association of Ontario and is affiliated with dental professionals worldwide. Halton Hills Denture Clinic will work collaboratively with your dentist or dental surgeon, regardless of location. From the first impression to the final product Halton Hills Denture Clinic takes great care in the making of each and every denture. They provide expert advice to help you choose a treatment plan that will meet the demands of your lifestyle and the look you are after. For more information visit their office located at 232-A Guelph Street Georgetown or go to www.haltonhillsdentures.com.
