A BY-LAW

To authorize the taking of Stock in "the Kingston, Pittsburgh, and Gananoque Joint Stock Road Company," to the amount of Five Thousand Pounds, and the issuing of Debentures in payment of the said Stock.

WHEREAS the construction of roads through the Township of Pittsburgh leading into this City, and the purchase of the Cataraqui Bridge in connection therewith, will greatly promote the interests of the City of Kingston. And whereas "The Kingston, Pittsburgh, and Gananoque Joint Stock Road Company" has been duly formed for the purpose of constructing such Road and Purchasing said Bridge; and it is expedient for this Municipality to encourge these works, by taking Stock in the said Company to the extent of Five Thousand Pounds, and in order to pay the said Stock, to issue Debentures for the sum of Five Thousand Pounds, payable in twenty years from date, with interest in the meantime half yearly. And whereas the whole rateable property of the City of Kingston, for the year One Thousand Eight Hundred and Fifty Three, was Sixty-six Thousand Pounds yearly value. And whereas the annual rate in the £, required as a special rate for the payment of the interest, and for the creation of a fund for the payment of the principal of the said Debentures will be two pence in the £.

Be it therefore enacted by the Mayor, Aldermen and Commonalty of the City of Kingston—

I. That it shall and may be lawful for the Mayor of the City of Kingston, for the time being, to subscribe in the name and on behalf of the City of Kingston, for One Thousand Shares of Stock in the Capital of "The Kingston, Pittsburgh, and Gananoque Joint Stock Company," and to act and vote for—and on behalf of the City of Kingston, in all matters relative to such Stock, subject always to such rules and orders in relation to his authority, as shall be made by this Council, by By-Law or otherwise. Provided always that the Debentures hereinafter in the next clause mentioned, shall be taken by the said Company in payment of the said shares.

II. That it shall and may be lawful for the Mayor for the time being, to cause and direct any number of Debentures to be issued for such sum of money, not exceeding in the whole the sum of £5,000. Such Debentures to be under the Common Seal of the City, to be signed by the Mayor and Chamberlain, to be dated on the actual days of issuing the same respectively, to be drawn with the principal, payable in Twenty Years, from the Tenth Day of November in the present year, and interest in the meantime half-yearly, at the rate of six per centum per annum, and to be otherwise made out in such manner and form, as the Mayor shall think fit; and that it shall and may be lawful for the Mayor to pay and deliver the said Debentures from time to time in payment of the calls upon the said Shares of Stock to be subscribed for as aforesaid.

III. That a special rate of Two Pence in the £ upon the assessed value of all rateable property in the City and liberties of Kingston, over and above all other rates and taxes shall be raised, levied and collected annually from the year 1854, to the year 1874, both years inclusive, and shall be applied in payment of the interest on the said debentures and in the creation of a Sinking Fund for the payment of the said principal.

IV. That this By-Law shall come into force, and take effect from the 9th day of December in the present year.

*NOTICE.*

THE above is a true Copy of the proposed By-Law, to be taken into consideration by the Municipality of the City of Kingston, at the City Hall in the said City, on the *4th day of December next*, at 7 o'clock in the evening, at which time and place the Members of the said Municipality are here by required to attend for the purpose aforesaid.

Liverpool and London Fire and Life
INSURANCE COMPANY.

DIRECTORS IN LONDON.

CHAIRMAN—Matthew Forster, Esq.
DEPUTY CHAIRMAN George Fred. Young, Esq.
Edward Barnard, Esq, William Brown, Esq, M. P., Sir Wm. P. DeBathe, Bart., William Ewart, Esq, M. P. Frederick Harrison, Esq, Donald Larnach, Esq., Ross D. Mangles, Esq. M. P., Hon. F. Ponsonby, John Ranking, Esq., Edward Thompson Esq.
SECRETARY TO THE COMPANY—Swinton Boult, Esq.
RESIDENT SECRETARY—Benjamin Henderson, Esq.

REPORT of the Directors of THE LIVERPOOL AND LONDON FIRE AND LIFE INSURANCE COMPANY to the Eighteenth Annual General Meeting of the Proprietors, held pursuant to the Provisions of the Deed of Settlement, on the Sixteenth day of February, 1854, in the Company's Offices, 27, Castle Street, Liverpool.

The Directors have much pleasure in meeting the Proprietors at the close of another year, and now submit the following Accounts.

FIRE DEPARTMENT.

The increase in the Fire Insurance Business must be satisfactory to the Proprietors, as showing the rapid and safe progress which the Company is making. The Receipts for the past year have increased considerably over those of 1852, while the losses have materially diminished.

RECEIPTS.
1852.—£98,654 1s. 10d.
1853.—£113,612 4s. 6d.

LOSSES.
1852.—£59,091 0s. 11d.
1853.—£42,846 1s. 0d.

These results show, notwithstanding the very numerous and destructive fires which have occurred, both in this Country and more especially in America, that great caution has been exercised in taking risks on the part of those, on whose judgment the Directors must necessarily in a great measure rely.

This Company is second to no Company doin business in the Canadas. The Subscriber is prepared to effect Insurance at moderate rates. Losses Paid promptly without reference to England.

The great success of this Institution in Europe, and the numerous Policies, issued by the different Agencies in Canada, evidently show that the advantages of Life Assurance are daily becoming more and more appreciated by those who feel the necessity of making some provision for their families, or securing the amount of debts due *by* or *to* them in case of premature death.

The income of the Company, independently of the large Subscribed Capital, is about Eighty Thousand Pounds, Sterling, per Annum, and of this a great part is continually accumulating for the payment of losses.

A Party effecting an Assurance with this Company, may do so for a fixed sum, payable at his or her death, without participating in the profits, and thereby secure *an immediate Bonus* by not paying more than is absolutely required to provide for the risk.

**Among others, the following Improvements on the system usually adopted, are recommended to the attention of the Public.**

A Table (No. 2) of Increasing Rates of Premium, peculiarly advantageous in cases where Assurances are effected by way of securing loans of debts, "a less immediate payment being required on a Policy for the whole term of life than in any other Office; and the holder having the option of paying a periodically increasing rate, or of having the sum assured diminished, according to an equitable scale of reduction."

"A Table (No. 4) of Decreasing Rates of Premium, on a novel and remarkable plan; the Policy holder having the option of discontinuing the payment of all further Premiums after TWENTY, FIFTEEN, TEN, and even FIVE years; and the Policy still remaining in force,—in the first case for the full amount originally assured, and in either of the three other cases, for a portion of the same according to a fixed and equitable scale endorsed upon the Policy.

All claims payable within THREE MONTHS after proof of death

No proof of Birth is required at the time a claim is made; the age of the Assured being, in every case, admitted in the Policy, cannot, under any circumstance, be afterwards called in question.

Policies effected by Parties on their own lives are not rendered void in case of death by Duelling or the hands of Justice. In the event of suicide, if the Policy be assigned to a *bona fide* Creditor, the sum assured will be paid without deduction; if the Policy be not assigned, the full amount of Premiums received thereon will be returned to the family of the Assured.

The necessary forms, and every requisite information, as to the mode of effecting Assurances, may be obtained either by letter or personal application to
