SEAT OF WAR!

Brilliant Achievements in the East.

THE taking of Sebastopol was certainly a very fortunate affair; an achievement not less brilliant than desirable for the united interests and fair fame of the allied Powers. But notwithstanding this, the Bears have not all been slaughtered, for in spite of the *Emperor Nicholas and the Eastern War*, very large importations of Furs continue to be made into these Provinces. Amongst others, D. CHISACHI has just replenished his Stock in Trade, where every article needed in the Hat and Fur line can be had as cheap and as good as at any other House in the trade—all of the first quality, and of His own Manufacture.—Opposite the Glasgow Warehouse, Wellington Street. Caps of all styles.

ON THE SECRET CAUSES OF SELF-ACQUIRED MISERIES AND DISAPPOINTED HOPES.

FIFTIETH EDITION.

Containing the Remedy for the Prevention of Disease,

ILLUSTRATED by 100 Anatomical Colored Engravings on Steel. On Physical Disqualifications, Generative Incapacity, and Impediments to Marriage. A new and improved Edition, enlarged to 196 pages, price 2s. 6d.; by post, direct from the establishment, 3s. 6d. in postage stamps.

The Silent Friend,

A Medical Work on the exhaustion and decay of the frame from the effects of indulgence, infection, and the injurious consequences of the abuse of Mercury; with observations on Marriage. Illustrated by 100 illustrated Engravings, by R. and L. Perry & Co., Consulting Surgeons, 19, Berners-street, Oxford-street, London. Published by the authors, and sold by Sherwood & Co., 23 Paternoster-row; Hanny, 63, and Sanger, 150, Oxford-street; Starie 23, Fitzhorne-street, Haymarket; and Gorden, 146, Leadenhall-street, London; Powell, 15, Westmoreland street, Dublin; J. & R. Raines & Co., Leith Walk, Edinburgh; D. Campbell, 136, Argyle street, Glasgow; R. H. Ingham, Market-street, Manchester; L. Priestly, Lead-street, and T. Newton, Church-street, Liverpool; and the Chronicle Office, Chester.

Part the First is dedicated to the consideration of the Anatomy and Physiology of certain organs. It is illustrated by 28 colored engravings.

Part the Second treats of the consequences resulting from indulgence, and their lamentable effects on the system, producing mental and bodily weakness, nervous excitement, and generative incapacity. It points out the sure means of perfect restoration to health and manhood. It is illustrated by ten explanatory engravings.

Part the Third treats of the disease resulting from infection, either in the primary or secondary form and contains explicit directions for the treatment. The section is illustrated by 6[illegible] colored engravings.

Part the Fourth contains a remedy for the Prevention of disease by a simple application by which the danger of infection is obviated. This important part of the work should be read by every young man entering into life.

The Authors, as regularly educated Members of the Medical Profession, having had long, diligent, and practical observation in the various Hospitals and Institutions for the relief of those afflicted with Syphilis, Secondary Symptoms, Stricture, Venereal and Scorbutic Eruptions of the Face and Body, have perhaps, had an unusual opportunity of witnessing their dreadful and destructive consequences in all their various stages. Hence, knowing the practical necessity of sound judgment in such serious cases, and having seen the injury that has arisen from the careless and neglect of its study, Messrs R. & L. Perry have devoted their attention exclusively to the peculiar class of maladies and the relief they have consequently been enabled to render to their fellow creatures is fully testified and acknowledged by convalescent Patients and others daily arriving in Town from all parts of the country, for the express purpose of personal consultation.

THE CORDIAL BALM OF SYRIACUM is a repovator of the impaired functions of life. Its influence on the human system is especially directed to the treatment and removal of those affections which are produced by disorders of the degenerative organs, whether constitutional or acquired; and it is especially intended for those cases in which the powers of the frame, by undue and unnatural excitement, have been reduced to an unwonted amount of depression, and the vigor of constitution, together with the social happiness of existence appears to be entirely and irrevocably lost, the mental faculties being at the same time in a state of extraordinary impairment, so that the Spring of life appear to be sapped at the very foundation, and the only prospect left for the unfortunate victim of evil example, is a life time of misery, and a wretched and an early death. Such an one carries with him the form and aspect of other men but without the vigor and energy of that season of life which his early youth gave him every reason to expect he would attain, and may cease to be men, or at least to possess the qualifications of manhood at thirty. Persons so situated are earnestly advised to consult and study the *Silent Friend*, which they will find to be an excellent guide. It should be carefully read before a course of medicine be entered on. For such cases as these, the Cordial Balm of Syriacum is peculiarly adapted, the direct object of which is the relief of those who by an inordinate and unnatural indulgence have destroyed their powers of constitution, and of those who while advancing rapidly to that unfortunate condition are troubled with any of the premonitory symptoms which should warn of its approach, such as the various affections of the nervous system, obstinate gleet, excesses, irregularity, obstruction or imperfection of certain evacuations, debility, general or partial, total impotence, barrenness, sterility, &c.

The Cordial Balm of Syriacum is especially recommended to be taken for some time by persons who contemplate entering into the holy bonds of matrimony; lest, in the event of the marriage bed proving fruitful, the innocent offspring should pay the penalty of the parent's previous excesses and exhibit characters of physical debility the result of early misconduct on the part of the parents. Price 11s. or four at 11s., in one bottle for 33s., by which 11s. are saved.

The Concentrated Detersive Essence an anti-syphilitic remedy, for purifying the system from venereal contamination, and is recommended for any of the varied forms of the secondary symptoms, such as eruptions on the skin blotches on the head and face, enlargement of the throat, tonsils and uvula, threatened destruction of the nose, palate, &c.; scorbutic humors, glandular swellings and diseases of the skin. Price 11s and 33s. per bottle.

The £5 cases of Syriacum or Concentrated Detersive Essence can only be had at 19, Berners street, Oxford street, London; whereby there is a saving of £1 12s. and the patient is entitled to receive advice without a fee, which advantage is applicable only to those who remit £5 for a packet.

Perry's Purifying Specific 11s. constitute an effectual remedy in cases of gonorrhœa, gleet, stricture, and diseases of the urinary organs. Price 2s, 6d., 4s. 6d. and 11s. per box.

Consultation fee, if by letter, £1.—Patients are requested to be as minute as possible in the description of their cases, stating age, occupation and position in society.

Messrs. R. & L. Perry, Consulting Surgeons, are in attendance daily, at 19, Berners-street, Oxford-street, London, from 11 till 2 and 5 till 8 in the evening, and on Sundays from 11 to 1.

Should any difficulty arise in procuring Medicines, by sending the amount to 19, Berners street, Oxford-street, London, they will be forwarded direct, securely packed, to any address. 196 1y

FUNDERSON'S CONDITION POWDERS

For Horses and Horned Cattle.

THE change of weather and season with the change of use and feed, have a very great effect upon the blood and sinuous fluids of horses. It is at these changes they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will end in the Yellow Water, Heaves, Worms, Bots &c. All of which will be prevented by giving one of these powders once a year, either Spring or Fall, and will, at any time, cure when any symptoms of disease appears, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed.

One or two Powders will perfectly cure a recent Founder in 6 or 8 days without leaving least effect in the feet, if no blood is let, and nothing else done, only to give the powder as directed. Bleeding changes the inflammation acute to chronic, and settles in the feet. In Horse-Distemper, they allay the fever and promote a healthy termination of the disease.

One Powder will in all cases cure the Horn-Distemper in a cow, without boring the horns or doing anything more than to give the Powder as directed for a horse. An ox will sometimes require a double dose, or 2 Powders.—Every cow should have one Powder given her after calving, it carries off all fever, and cleans her well, and makes her milk good and abundant through the season. Their effect is the same on all Herbivorous animals.

As there are many imitations and counterfeits, see that you get "FUNDERSON'S CONDITION POWDERS." Agents for this City B. W. Palmer, Chas. Heath and G. Baker & Co.

REVIEWS.

"Decidedly the best and most useful book of the kind."—[Pioneer.

"The information conveyed therein is really essential to those who contemplate marriage."—[Record.

"It contains precisely the information too often studiously kept from the young and thoughtless. However, the knowledge *must come some* time, and happy is the person who does not become its possessor too late."—[Politician.

Dr. De Ross is one of the very few legally qualified physicians who through the medium of the public press have ventured to introduce appropriate remedies for the diseases treated upon in the above work, the peculiarities of which from long practical experience in the most celebrated institutions of this country and the continent, he has had perhaps unusual opportunities of observing. The necessity for sound practical judgment in such serious cases must be obvious, hence the inference that the greatest amount of benefit may be most reasonably expected at the hands of those members of the medical profession who have made these complaints their particular study, and to those only who possess the requisite qualifications can confidence be safely extended.

Persons at a distance may be successfully treated, by forwarding a correct detail of their case, with a remittance of £1 per Post Office Order payable at the Holborn office or otherwise, when Medicines and advice will be forwarded to any address securely packed from observation.

☞ Beware of the recommendation of spurious or other articles by unprincipled vendors, who thereby obtain a larger profit. To protect the Public against FRAUD, Her Majesty's Hon. Commissioners have directed the words, "Walter De Ross, London," to be printed in white letters on the stamp affixed to the above, to imitate which is felony.
