**Establishment.**

W. H. ALEXANDER would respectfully inform the citizens of Kingston and the public generally, that he has Leased, and comfortably Furnished, and completely Renovated the Premises formerly known as the "BRITISH COFFEE HOUSE," Ontario Street. He is now prepared to accommodate married or single gentlemen with Board and Rooms and Private Parlors.

The Yard and Stablings connected with the premises are roomy and clean, and if required, he can provide lock-up Coach Houses. The Stabling can be obtained by the day, week or month on very reasonable terms.

W. H. A. flatters himself that his experience in First-Class Hotel keeping is so sufficiently well known as to render unnecessary any assurance here that his establishment will be in all its departments such as to please those desirous of a comfortable home. His Table will be found well spread with the best that the Kingston Markets can supply.

The British Coffee House is immediately opposite the Grand Trunk Railroad Office and the Wholesale Stores of Hugh Fraser, and within a minute's walk of the Post Office, the City Buildings, Walker & Berry's, Brown & Harty's and the Commercial Wharves.

**Maryland Lotteries,**
FOR NOVEMBER, 1854.

DRAWN BY STATE AUTHORITY.

*Payment of Prizes Guaranteed to the Holder by the State of Maryland.*

We must congratulate some of our correspondents upon their success, in drawing prizes, and although we cannot promise to every one a Capital prize, yet if they will only try they can obtain some of which the list below shows many worth the venture. We know that it would be a source of gratification to many a correspondent if we would publish a list of prizes drawn, and who by, but we cannot violate our promise of strict confidence, although it would be to our advantage and enhance the sale of tickets. If we were permitted, we could name one who has drawn at least $50,000, in prizes of $500, $1,000, &c., the largest of which was $21,000, and numerous others who have drawn both larger and smaller sums. We give below some of the Lotteries for November, and earnestly request that each and every person will send us an order for tickets in them.

Respectfully,
C. NAIRN & Co.,

# BY-LAW NO. 1.

For regulating the Annual Election of Five Directors for managing and conducting the Affairs, Stock, Property and Concerns of the Kingston, Pittsburgh and Gananoque Joint Stock Road Company.

*Passed the 4th day of November, 1854.*

WHEREAS, by an Act passed by the Parliament of this Province, in the sixteenth year of the reign of Her Majesty Queen Victoria, intituled, "An Act to amend and consolidate the several Acts for the formation of Joint Stock Companies for the construction of Roads and other works in Upper Canada," it is enacted, after repealing certain Acts therein mentioned, that the affairs, stock, property and concerns of every such Company which should or might be formed under the provisions of the said act, or which should have been formed under the provisions of the said acts mentioned in the preamble of the said act, and thereby amended or repealed, should, for the first year be managed and conducted by Five Directors, to be named in the instrument to be executed and registered, as in said act directed, and thereafter to be annually elected by the Stockholders on the second Monday in December in each and every year, according to the provisions of a By-Law to be passed by the Directors for that purpose.

And whereas it is expedient and necessary that such By Law as aforesaid should be passed as required—

Be it therefore enacted by the President and Directors of the Kingston, Pittsburgh and Gananoque Joint Stock Road Company, that the Annual Election of Five Directors as aforesaid, by the Stockholders of the said Company, shall be held on the Second Monday in December in each and every year, as provided by the said Act.

Secondly—That the Secretary of the said Company, or in his absence, such person as may be appointed, shall enter and take down the votes at such election in a poll book, in which the names of the several candidates proposed at such election shall be entered and written over different columns therein, and the name of each voter and the number of shares he holds shall be entered in the said poll book, and opposite to this the person taking down and entering the votes shall enter in the columns of the candidates for whom such voter shall vote the number of his votes for each of such proposed candidates for whom he may vote; and at the close of the poll or election, the Secretary, or other person as as a foresaid, shall sum up the number of votes given to each candidate, and the five candidates who shall have received (in their respective columns) the greatest number of votes shall then be declared elected as Directors for managing and conducting the affairs, stock, property and concerns of the said Company for the year ending the Second day of December, following their said election.

Thirdly—That such election of Directors shall be held at the Village of Barriefield, at such place in said village as may be intimated in a notice thereof to be published.

Fourthly—That the hour for holding such election shall be two of the clock in the afternoon of the day upon which such election shall be held, and that such election shall continue until four of the clock in the afternoon of the same day, unless a period of one half hour shall have at any time elapsed without a vote being taken, in which case the said election may be closed, and the result declared.

Fifthly—That upon the election of such five Directors as aforesaid, they shall immediately proceed to elect one of their number as President of the said Company, which said President shall be elected by a majority of the said Directors.

The great success of this Institution in Europe, and the numerous Policies, issued by the different Agencies in Canada, evidently show that the advantages of Life Assurance are daily becoming more and more appreciated by those who feel the necessity of making some provision for their families, or securing the amount of debts due by or to them in case of premature death.

The Income of the Company, independently of the large Subscribed Capital, is about Eighty Thousand Pounds, Sterling, per Annum, and of this a great part is continually accumulating for the payment of losses.

A Party effecting an Assurance with this Company may do so for a fixed sum, payable at his or her death, without participating in the profits, and thereby secure an immediate Bonus by not paying more than is absolutely required to provide for the risk.

**Among others, the following Improvements on the system usually adopted, are recommended to the attention of the Public.**

A Table (No. 2) of Increasing Rates of Premium, peculiarly advantageous in cases where Absences are effected by way of securing loans of debts, "a less immediate payment being required on a Policy for the whole term of life than in any other Office; and the holder having the option of paying a periodically increasing rate, or of having the sum assured diminished, according to an equitable scale of reduction."

"A Table (No. 4) of Decreasing Rates of Premium, on a novel and remarkable plan; the Policy holder having the option of discontinuing the payment of all further Premiums after TWENTY, FIFTEEN, TEN, and even FIVE years; and the Policy still remaining in force,—in the first case for the full amount originally assured, and in either of the three other cases, for a portion of the same according to a fixed and equitable scale endorsed upon the Policy.

All claims payable within THREE MONTHS after proof of death.

No proof of Birth is required at the time a claim is made; the age of the Assured being, in every case, admitted in the Policy, cannot, under any circumstance, be afterwards called in question.

Policies effected by Parties on their own lives are not rendered void in case of death by Duelling or the hands of Justice. In the event of suicide, if the Policy be assigned to a *bona fide* Creditor, the sum secured will be paid without deduction; if the Policy be not assigned, the full amount of Premiums received thereon will be returned to the family of the Assured.

The necessary forms, and every requisite information, as to the mode of effecting Assurances, may be obtained either by letter or personal application to

**HOLLOWAY'S OINTMENT**

*A most Astonishing Cure of Scrofulous Ulcers,—A case certified by the Mayor of Boston.*

Copy of a Letter from J. Noble, Esq., Mayor of Boston, Lincolnshire.

To PROFESSOR HOLLOWAY.

Dear Sir,—MRS. SARAH DIXON of Liquorpond Street, Boston, has this day deposed before me that for a considerable period she was severely afflicted with Scrofulous Sores and Ulcers in her arms, feet, legs, and other parts of her body; and a though the first of medical advice was obtained, at the cost of a large sum of money, she obtained no abatement of suffering, but gradually grew worse. Being recommended by a friend to try your Ointment, she procured a small pot, and a box of the Pills, and before that was all used, symptoms of amendment appeared. By persevering with the medicines for a short time longer, according to the directions, and strictly adhering to your rules as to diet, &c., she was perfectly cured, and now enjoys the best of health. I remain, Dear Sir, yours truly,

(Signed) J. NOBLE.

*An Extraordinary and Rapid Cure of Erysipelas in the Leg, after Medical Aid had Failed.*

Copy of a Letter from Mrs. Elizabeth Yeates, of the Post Office, Aldwick Road, near Bognor, Sussex, dated Jan. 12th, 1853.

To PROFESSOR HOLLOWAY,

Sir,—I suffered for a considerable period from a severe attack of Erysipelas, which at length settled in my leg, and resisted all medical treatment. My sufferings were very great and I quite despaired of any permanent amendment, when I was advised to have recourse to your Ointment and Pills. I did so without delay, and am happy to say the result was eminently successful, for they effected a radical cure of my leg, and restored me to the enjoyment of health. I shall ever speak with the utmost confidence of your medicines, and have recommended them to others in this neighbourhood similarly afflicted, who derived equal benefit.

I am Sir, your obliged and faithful Serv't,

(Signed) ELIZABETH YEATES.

*A Dreadful Diseased Ancle Cured after being given up by the Faculty, at Malta, and Portsmouth Hospitals.*

The following important communication has been forwarded to Professor Holloway for publication, by Mr. B. Dixon, Chemist, King st., Norwich.

Copy of a Letter from Captain Smith, of Great Yarmouth, dated January 19th, 1853.

To Mr. DIXON,

Dear Sir,—I send you the particulars of a cure effected by Professor Holloway's invaluable medicines:—Mr. John Walton, late in Her Majesty's Service, in the British Fleet at Malta, had a very bad ulcerated ancle, and after having been in the Malta Hospital for six months, was sent to England as an invalid to Portsmouth Hospital, where he remained an inmate for four months, there, as at Malta, refusing to have the limb amputated, he was turned out incurable. He then came to Yarmouth, and was under a medical gentleman for about three months, but his ancle became so much worse that all hope was lost. At this period, by my advice, he tried Holloway's Ointment and Pills, which by unremitted application, healed all the ulcers, and restored him to perfect health and strength.

I remain, Dear Sir, yours very truly,

(Signed) JOHN SMITH.
