A GREAT & IMPORTANT WORK.
History of the Early Discovery of America, and the Landing of the Pilgrims!
With a Biography of the Indians of North America. By Drake, the Celebrated Antiquarian.
AFTER twenty years of incessant toil and research, the indefatigable author has completed this masterly work of history, which will be quoted as the highest authority, when the once noble and powerful race of Red Men will be known only on the page of history.
Some idea of the value of the work, and the amount of labor bestowed upon it, may be formed from the fact that it contains more than three times the matter of any History on the same subject ever published since the discovery of the American Continent, and in fact is the only complete and reliable work of the kind ever issued.
The work contains five volumes in one, with a valuable Appendix and Index, referring to nearly
2,000 different Celebrated Individuals
Mentioned in the Book, and superbly Illustrated with FINE STEEL ENGRAVINGS!—Bound in embossed leather, marble edges and splendid illuminated backs, and sold at only $3,50.
CANVASSING AGENTS are wanted in Canada, New Brunswick and Nova Scotia, to whom great inducements will be offered, and no man need apply who cannot send a certificate from the highest authority where he resides, as to his thorough business qualifications. Agents will have the right of as much territory as they will thoroughly canvass.

At 9 o'clock P. M., or on arrival of Lightning Train from New York and Albany, running through via the North Shore, without landing—arriving in Detroit the next afternoon, in time for the Express Train for Chicago, over a heavy T Rail—a well sodded road, free from dust—comfortable cars, built expressly for the route, the best Railroad in the Union; connecting with Clement's splendid Line of Steamers, for all the ports on Lake Michigan, and the Railroad from Chicago to La Salle and St. Louis—first class steamers form a daily line between La Salle and St. Louis.
☞ This route affords to travellers, either for pleasure or business, advantages not enjoyed by any other. The Boats of the Line on the North Passage are less exposed to the storms and rough weather incident to a Trip by the South shore, and are not subject to detentions that other Lines are, by going into Ports difficult of entry. The Railroad from Detroit to Chicago passes through all the towns of importance in Michigan—an advantage not enjoyed by any other route.
☞ Baggage conveyed from the Cars to the Boat Free of Charge, by Passengers delivering their Checks to the Agent on the Train, or at the Depot, and Checked through via the route.
Through Tickets over this route can be obtained at the office of the N. Y. Central R. R. Albany, and at all the Offices of that Company, on board the Steamboat, and at the office of M. C. R. R. Buffalo.

A BY-LAW.
To authorize the taking of Stock in "the Kingston, Pittsburgh, and Gananoque Joint Stock Road Company," to the amount of Five Thousand Pounds, and the issuing of Debentures in payment of the said Stock.
WHEREAS the construction of roads through the Township of Pittsburgh leading into this City, and the purchase of the Cataraqui Bridge in connection therewith, will greatly promote the interests of the City of Kingston. And whereas "The Kingston, Pittsburgh, and Gananoque Joint Stock Road Company" has been duly formed for the purpose of constructing such Road and Purchasing said Bridge; and it is expedient for this Municipality to encourage these works, by taking Stock in the said Company to the extent of Five Thousand Pounds, and in order to pay the said Stock, to issue Debentures for the sum of Five Thousand Pounds, payable in twenty years from date, with interest in the meantime half yearly. And whereas the whole rateable property of the City of Kingston, for the year One Thousand Eight Hundred and Fifty Three, was Sixty-six Thousand Pounds yearly value. And whereas the annual rate in the £ required as a special rate for the payment of the interest, and for the creation of a fund for the payment of the principal of the said Debentures will be two pence in the £.
Be it therefore enacted by the Mayor, Aldermen and Commonalty of the City of Kingston—
I. That it shall and may be lawful for the Mayor of the City of Kingston, for the time being, to subscribe in the name and on behalf of the City of Kingston, for One Thousand Shares of Stock in the Capital of "The Kingston, Pittsburgh, and Gananoque Joint Stock Company," and to act and vote for—and on behalf of the City of Kingston, in all matters relative to such Stock, subject always to such rules and orders in relation to his authority, as shall be made by this Council, by By-Law or otherwise. Provided always that the Debentures hereinafter in the next clause mentioned, shall be taken by the said Company in payment of the said shares.
II. That it shall and may be lawful for the Mayor for the time being, to cause and direct any number of Debentures to be issued for such sum of money not exceeding in the whole the sum of £5,000. Such Debentures to be under the Common Seal of the City, to be signed by the Mayor and Chamberlain, to be dated on the actual days of issuing the same respectively, to be drawn with the principal payable in Twenty Years from the Tenth Day of November in the present year, and interest in the meantime half-yearly, at the rate of six per centum per annum, and to be otherwise made out in such manner and form, as the Mayor shall think fit; and that it shall and may be lawful for the Mayor to pay and deliver the said Debentures from time to time in payment of the calls upon the said Shares of Stock to be subscribed for as aforesaid.
III. That a special rate of Two Pence in the £ upon the assessed value of all rateable property in the City and liberties of Kingston, over and above all other rates and taxes shall be raised, levied and collected annually from the year 1854, to the year 1874, both years inclusive, and shall be applied in payment of the interest on the said debentures and in the creation of a Sinking Fund for the payment of the said principal.
IV. That this By-Law shall come into force, and take effect from the 5th day of December in the present year.
NOTICE.
THE above is a true Copy of the proposed By-Law, to be taken into consideration by the Municipality of the City of Kingston, at the City Hall in the said City, on the *4th day of December next,* at 7 o'clock in the evening, at which time and place the Members of the said Municipality are hereby required to attend for the purpose aforesaid.
