THE FAR FAMED MEDICINE

Holloway's Pills.

SURPRISING CURE OF A CONFIRMED ASTHMA, AFTER FIVE YEARS' SUFFERING.

The following Testimonial has been sent to Professor Holloway, by a Gentleman named Middleton, of Scotland Road, Liverpool.

SIR,—Your Pills have been the means, under Providence of restoring me to sound health after five years of severe affliction During the whole of that period, I suffered the most dreadful attacks of Asthma, frequently of several weeks' duration, attended with a violent cough, and continual spitting of phlegm intermixed with blood. This so shook my constitution that I was unfitted for any of the active duties of life. I was attended by some of the most eminent medical men of this town, but they failed to give me the slightest relief. As a last remedy I tried your Pills, and in about three months they effected a perfect cure of the disease, totally eradicated the cough, and restored tone and vigor to the chest and digestive organs.

I am, Sir, your obedient Servant,
(Signed) H. MIDDLETON.

A PERMANENT CURE OF A DISEASED LIVER OF MANY YEARS' DURATION.

Copy of a Letter from Mr. Gamis, Chemist, Yeovil, to Professor Holloway.

Dear Sir,—In this district your Pills command a more extensive sale than any other proprietary medicine before the public. As a proof of their efficacy in Liver and Billious Complaints I may mention the following case. A lady of this town with whom I am personally acquainted for years was a severe sufferer from disease of the Liver and digestive organs; her medical attendant assured her that he could do nothing to relieve her sufferings, and it was not likely she could survive many months. This announcement naturally caused great alarm among her friends and relations, and they induced her to make a trial of your Pills, which so improved her general health that she was induced to continue them until she received a perfect cure. This is twelve months ago, and she has not experienced any symptoms of relapse, and often declares that your Pills have been the means, of saving her life.

I remain, Dear Sir, yours truly,
Nov. 23rd, 1853. (Signed) J. GAMIS.

An Astonishing Cure of Chronic Rheumatism, after being discharged from the Hospital Incurable.

Copy of a Letter from Mr. W. Moon of the Square, Winchester.

To PROFESSOR HOLLOWAY,

Sir,—I beg to inform you, that for years I was a sufferer from Chronic Rheumatism, and I was often laid up for weeks together by its severe and painful attacks. I tried every thing that was recommended, and was attended by one of the most eminent Surgeons in this town; but obtained no relief whatever, and fearing that my health would be entirely broken up, I was induced to go to the County Hospital, where I had the best medical treatment the Institution afforded, all of which proved of no avail, and I came out no better than I went in. I was then advised to try your Pills, and by persevering with them was perfectly cured, and enabled to resume my occupation, and although a considerable period has elapsed I have felt no return whatever of the complaint.

I am, Sir, your obliged Servant,
(Signed) W. MOON.

An Extraordinary Cure of Dropsy, after Suffering for Eighteen Months.

Copy of a Letter from Mr. G. Briggs, Chemist, Goole, dated February 15th, 1853.

To PROFESSOR HOLLOWAY,

SIR,—I have much pleasure of informing you of a most surprising cure of Dropsy, recently effected by your valuable medicines. Captain Jackson of this place, was afflicted with Dropsy for upwards of eighteen months, to such an extent that it caused his body and limbs to be much swollen, and water oozed as it were from his skin, so that a daily change of apparel became necessary, notwithstanding the various remedies tried, and the different medical men consulted, all was of no avail, until he commenced using your Pills, by which, and a strict attention to the printed directions, he was effectually cured, and his health perfectly re stabilished. If you deem this worthy of publicity, you are at liberty to use it.

I am, Sir, yours respectfully,
(Signed) G. BRIGGS.

HOLLOWAY'S OINTMENT

A most Astonishing Cure of Scrofulous Sores,—A case certified by the Mayor of Boston.

Copy of a Letter from J. Noble, Esq., Mayor of Boston, Lincolnshire.

To PROFESSOR HOLLOWAY,

Dear Sir.—Mrs. SARAH DIXON of Liquorpond Street, Boston, has this day deposed before me that for a considerable period she was severely afflicted with Scrofulous Sores and Ulcers in her arms, feet, legs, and other parts of her body: and a though the first of medical advice was obtained, at the cost of a large sum of money, she obtained no abatement of suffering, but gradually grew worse Being recommended by a friend to try your Ointment, she procured a small pot, and a box of the Pills, and before that was all used, symptoms of amendment appeared. By persevering with the medicines for a short time longer, according to the directions, and strictly adhering to your rules as to diet, &c., she was perfectly cured, and now enjoys the best of health. I remain, Dear Sir, yours truly.

An Extraordinary and Rapid Cure of Erysipelas in the Leg, after Medical Aid had Failed.

Copy of a Letter from Mrs. Elizabeth Yeates, of the Post Office, Aldwick Road, near Bognor, Sussex, dated Jan. 12th, 1853.

To PROFESSOR HOLLOWAY,

Sir,—I suffered for a considerable period from a severe attack of Erysipelas, which at length settled in my leg, and resisted all medical treatment. My sufferings were very great And I quite despaired of any permanent amendment, when I was advised to have recourse to your Ointment and Pills. I did so without delay, and am happy to say the result was eminently successful, for they effected a radical cure of my leg, and restored me to the enjoyment of health. I shall ever speak with the utmost confidence of your medicines, and have recommended them to others in this neighbourhood similarly afflicted, who derived equal benefit.

I am Sir, your obliged and faithful Servt,
(Signed) ELIZABETH YEATES.

A Dreadful Diseased Ancle Cured after being given up by the Faculty, at Malta, and Portsmouth Hospitals.

The following important communication has been forwarded to Professor Holloway for publication, by Mr. B. Dixon, Chemist, King-st., Norwich.

Copy of a Letter from Captain Smith, of Great Yarmouth, dated January 19th, 1853.

To Mr. DIXON,

Dear Sir,—I send you the particulars of a cure effected by Professor Holloway's invaluable medicines:—Mr. John Walton, late in Her Majesty's Service, in the British Fleet at Malta, had a very bad ulcerated ancle, and after having been in the Malta Hospital for six months, was sent to England as an invalid to Portsmouth Hospital, where he remained an inmate for four months, there, as at Malta, refusing to have the limb amputated, he was turned out incurable. He then came to Yarmouth, and was under a medical gentleman for about three months, but his ancle became so much worse that all hope was lost At this period, by my advice, he tried Holloway's Ointment and Pills, which by unremitted application, healed all the ulcers, and restored him to perfect health and strength.

I remain, Dear Sir, yours very truly,

AYER'S PILLS.

FOR ALL THE PURPOSES OF A

Family Physic!

There has long existed a public demand for an effective purgative Pill which could be relied on as sure and perfectly safe in its operation. This has been prepared to meet that demand, and an extensive trial of its virtues has conclusively shown with what success it accomplishes the purpose designed. It is easy to make a physical *Pill*, but not so easy to make the best of all *Pills*—one which should have none of the objections, but all the advantages of every other. This has been attempted here, and with what success we would respectfully submit to the public decision. It has been unfortunate for the patient hitherto that almost every purgative medicine is acrimonious and irritating to the bowels. This is not. Many of them produce so much griping pain and revulsion in the system as to more than counterbalance the good to be derived from them.—These *Pills* produce no irritation or pain, unless it arises from a previously existing obstruction or derangement in the bowels. Being purely vegetable, no harm can arise from their use in any quantity; but it is better that any medicine should be taken judiciously. Minute directions for their use in the several diseases to which they are applicable are given on the box Among the complaints which have been speedily cured by them we may mention Liver Complaint, in its various forms of Jaundice, Indigestion, Languor and Loss of Appetite, Listlessness, Irritability, Bilious Headache, Bilious Fever, Fever and Ague, Pain in the Side and Loins, for in truth, all these are but the consequence of diseased action of the liver. As an aperient, they afford prompt and sure relief in Costiveness, Piles, Colic, Dysentery, Humors, Scrofula and Scurvy, Colds, with soreness of the body, Ulcers and impurity of the blood; in short, any and every case where a purgative is required.

They have also produced some singularly successful cures in Rheumatism, Gout, Dropsey, Gravel, Erysipelas, Palpitation of the Heart, Pains in the Back, Stomach and side. They should be freely taken in the spring of the year, to purify the blood and prepare the system for the change of season. An occasional dose stimulates the stomach into healthy action, and restores the appetite and vigor. They purify the blood, and, by their stimulant action on the circulatory system, renovate the strength of the body, and restore the wasted or diseased energies of the whole organism. Hence an occasional dose is advantageous even though no serious derangement exists; but unnecessary dosing should never be carried too far, as every purgative medicine reduces the strength, when taken to excess. The thousand cases in which a physic is required cannot be enumerated here, but they suggest themselves to the reason of every body; and it is confidently believed this pill will answer a better purpose than anything which has hitherto been available to mankind. When their virtues are once known the public will no longer doubt what remedy to employ when in need of a cathartic medicine.

Being sugar wrapped, they are pleasant to take, and being purely vegetable, no harm can arise from their use in any quantity.

For minute directions, see the wrapper on the Box. Prepared by

The Silent Friend,

A Medical Work on the exhaustion and decay of the frame from the effects of indulgence, infection, and the injurious consequences of the abuse of Mercury; with observations on Marriage. Illustrated by 100 illustrated Engravings, by R. and L. Perry & Co., Consulting Surgeons, 19, Berners-street, Oxford-street, London. Published by the authors, and sold by Sherwood & Co., 23 Paternoster-row; Hanny, 63, and Sanger, 150, Oxford-street, Starle 23, Titchborne street, Haymarket; and Gorden, 146, Leadenhall-street, London; Powell, 15, Westmoreland-street, Dublin; J. & R. Raimes & Co., Leith Walk, Edinburgh; D. Campbell, 136, Argyle-street, Glasgow; R. H. Ingham, Market-street, Manchester; L. Priestly, Lord-street, and T. Newton, Church-street, Liverpool; and the Chronicle Office, Chester.

Part the First is dedicated to the consideration of the Anatomy and Physiology of certain organs. It is illustrated by 28 colored engravings.

Part the Second treats of the consequences resulting from indulgence, and their lamentable effects on the system, producing mental and bodily weakness, nervous excitement, and generative incapacity It points out the sure means of perfect restoration to health and manhood. It is illustrated by ten explanatory engravings.

Part the Third treats of the disease resulting from infection, either in the primary or secondary form and contains explicit directions for the treatment. The section is illustrated by 62 colored engravings.

Part the Fourth contains a remedy for the Prevention of disease by a simple application by which the danger of infection is obviated. This important part of the work should be read by every young man entering into life.

The Authors, as regularly educated Members of the Medical Profession, having had long, diligent, and practical observation in the various Hospitals and Institutions for the relief of those afflicted with Syphilis, Secondary Symptoms, Stricture, Venereal and Scorbutic Eruptions of the Face and Body, have, perhaps, had an unusual opportunity of witnessing their dreadful and destructive consequences in all their various stages. Hence, knowing the practical necessity of sound judgment in such serious cases, and having seen the injury that has arisen from the carelessness and neglect of its study, Messrs R. & L. Perry have devoted their attention exclusively to the peculiar class of maladies and the relief they have consequently been enabled to render to their fellow creatures is fully testified and acknowledged by convalescent Patients and others daily arriving in Town from all parts of the country, for the express purpose of personal consultation

THE CORDIAL BALM OF SYRIACUM is a renovator of the impaired functions of life. Its influence on the human system is especially directed to the treatment and removal of those affections which are produced by disorders of the degenerative organs, whether constitutional or acquired; and it is especially intended for those cases in which the powers of the frame, by undue and unnatural excitement, have been reduced to an unwonted amount of depression, and the vigor of constitution, together with the social happiness of existence appears to be entirely and irrevocably lost, the mental faculties being at the same time in a state of extraordinary impairment, so that the Springs of life appear to be sapped at the very foundation, and the only prospect left for the unfortunate victim of evil example, is a life time of misery, and a wretched and an early death. Such an one carries with him the form and aspect of other men out without the vigor and energy of that season of life which his early youth gave him every reason to expect he would attain, and many cease to be men, or at least to possess the qualifications of manhood at thirty. Persons so situated are earnestly advised to consult and study the *Silent Friend*, which they will find to be an excellent guide It should be carefully read before a course of medicine be entered on. For such cases as these, the Cordial Balm of Syriacum is peculiarly adapted, the direct object of which is the relief of those who by an inordinate and unnatural indulgence have destroyed their powers of constitution, and of those who while advancing rapidly to that unfortunate condition are troubled with any of the premonitory symptoms which should warn of its approach, such as the various affections of the nervous system, obstinate gleet, excesses, irregularity, obstruction or imperfection of certain evacuations, debility, general or partial, total impotence, barrenness, sterility, &c.

The Cordial Balm of Syriacum is especially recommended to be taken for some time by persons who contemplate entering into the holy bonds of matrimony; lest, in the event of the marriage-bed proving fruitful, the innocent offspring should pay the penalty of the parent's previous excesses and exhibit characters of physical debility, the result of early misconduct on the part of the parents. Price 11s or four at 11s., in one bottle for 33s., by which 11s. are saved

The Concentrated Detersive Essence an anti-syphilitic remedy, for purifying the system from venereal contamination, and is recommended for any of the varied forms of the secondary symptoms, such as eruptions on the skin blotches on the head and face, enlargement of the throat, tonsils and uvula, threatened destruction of the nose, palate, &c.; scorbutic humors, glandular swellings and diseases of the skin. Price 11s and 33s, per bottle.

The £5 cases of Syriacum or Concentrated Detersive Essence can only be had at 19, Berners street, Oxford-street, London; whereby there is a saving of £1 12s. and the patient is entitled to receive advice without a fee, which advantage is applicable only to those who remit £5 for a packet.

Perry's Purifying Specific Pills constitute an effectual remedy in cases of gonorrhœa, gleet, stricture, and diseases of the urinary organs. Price 2s. 9d, 4s. 6d., and 11s. per box.

Consultation fee, if by letter, £1.—Patients are requested to be as minute as possible in the description of their cases, stating age, occupation and position in society.

Messrs. R. & L. Perry, Consulting Surgeons, are in attendance daily, at 19, Berners-street, Oxford-street, London, from 11 till 2, and 5 till 8 in the evening, and on Sundays from 11 to 1.

Should any difficulty arise in procuring Medicines, by sending the amount to 19, Berners-street, Oxford-street, London, they will be forwarded direct, securely packed, to any address. 196 1y

For regulating the Annual Election of Five Directors for managing and conducting the Affairs, Stock, Property and Concerns of the Kingston, Pittsburgh and Gananoque Joint Stock Road Company.

Passed the 4th day of November, 1854.

WHEREAS, by an Act passed by the Parliament of this Province, in the sixteenth year of the reign of Her Majesty Queen Victoria, intituled "An Act to amend and consolidate the several Acts for the formation of Joint Stock Companies for the construction of Roads and other works in Upper Canada," it is enacted, after repealing certain Acts therein mentioned, that the affairs, stock, property and concerns of every such Company which should or might be formed under the provisions of the said act, or which should have been formed under the provisions of the said acts mentioned in the preamble of the said act, and thereby amended or repealed, should for the first year be managed and conducted by Five Directors, to be named in the instrument to be executed and registered, as in said act directed, and thereafter to be annually elected by the Stockholders on the second Monday in December in each and every year, according to the provisions of a By-Law to be passed by the Directors for that purpose.

And whereas it is expedient and necessary that such By Law as aforesaid should be passed as required—

Be it therefore enacted by the President and Directors of the Kingston, Pittsburgh and Gananoque Joint Stock Road Company, that the Annual Election of Five Directors as aforesaid, by the Stockholders of the said Company, shall be held on the Second Monday in December in each and every year, as provided by the said Act.

Secondly—That the Secretary of the said Company, or in his absence, such person as may be appointed, shall enter and take down the votes at such election in a poll book, in which the names of the several candidates proposed at such election shall be entered and written over different columns therein, and the name of each voter and the number of shares he holds shall be entered in the said poll book, and opposite to this the person taking down and entering the votes shall enter in the columns of the candidates for whom such voter shall vote the number of his votes for each of such proposed candidates for whom he may vote; and at the close of the poll or election, the Secretary, or other person as as a foresaid, shall sum up the number of votes given to each candidate, and the five candidates who shall have received (in their respective columns) the greatest number of votes shall then be declared elected directors for managing and conducting the affairs, stock, property and concerns of the said Company for the year ending the Second day of December, following their said election.

Thirdly—That such election of Directors shall be held at the Village of Barrifield, at such place in said village as may be intimated in a notice thereof to be published.

Fourthly—That the hour for holding such election shall be two of the clock in the afternoon of the day upon which such election shall be held, and that such election shall continue until four of the clock in the afternoon of the same day, unless a period of one half hour shall have at any time elapsed without a vote being taken, in which case the said election may be closed, and the result declared.

Fifthly—That upon the election of such five Directors as aforesaid, they shall immediately proceed to elect one of their number as President of the said Company, which said President shall be elected by a majority of the said Directors.

Dr. DE ROOS is one of the very few legally qualified physicians who through the medium of the public press have ventured to introduce appropriate remedies for the diseases treated upon in the above work, the peculiarities of which from long practical experience in the most celebrated institutions of this country and the continent, he has had perhaps unusual opportunities of observing. The necessity for sound practical judgment in such serious cases must be obvious, hence the inference that the greatest amount of benefit may be most reasonably expected at the hands of those members of the medical profession who have made these complaints their particular study, and to those only who possess the requisite qualifications can confidence be safely extended.

Persons at a distance may be successfully treated, by forwarding a correct detail of their case, with a remittance of £1 per Post Office Order payable at the Holborn office or otherwise, when Medicines and advice will be forwarded to any address securely packed from observation.

THE ANNWOOD ESTATE, TRENTON.

Notice To Capitalists.

THE undersigned will visit Trenton early in November, for the purpose of disposing of Vacant Lots in the Village of Annwood, and Park Lots adjoining.—He will, however, be happy to treat with any gentleman or company of gentlemen for the disposal of the whole Property in one Block, including the present securities upon Sales, which amount to upwards of £3,000, allowing a large margin for profit to the purchaser.

Ten per cent. only will be required down, and Twenty-one years will be given for the payment of the Balance, with covenants to release such portions as may require to be conveyed in fee.

The sole reason for disposing of the Property in this way, is that the distance from Toronto, where his interests principally lie, prevents the undersigned from bestowing that time and attention which such a valuable Property requires in order to sell to advantage in detail.

The Estate consists of 450 Acres, laid out in Town and Park Lots, fronting on the Bay of Quinte, on the east side of the River Trent, and is incorporated with, and orms part of the Village of Trenton, now one of the most rising towns in Canada West.

Title indisputable.
