A GREAT & IMPORTANT WORK.
History of the Early Discovery of America, and the Landing of the Pilgrims!
With a Biography of the Indians of North America. By Drake, the Celebrated Antiquarian.
AFTER twenty years of incessant toil and research, the indefatigable author has completed this masterly work of history, which will be quoted as the highest authority, when the once noble and powerful race of Red Men will be known only on the page of history.
Some idea of the value of the work, and the amount of labor bestowed upon it, may be formed from the fact that it contains more than three times the matter of any History on the same subject ever published since the discovery of the American Continent, and in fact is the only complete and reliable work of the kind ever issued.
The work contains five volumes in one, with a valuable Appendix and Index, referring to nearly
3,000 different Celebrated Individuals
Mentioned in the Book, and superbly Illustrated with FINE STEEL ENGRAVINGS!—Bound in embossed leather, marble edges and splendid illuminated backs, and sold at only $3,50.
CANVASSING AGENTS are wanted in Canada, New Brunswick and Nova Scotia, to whom great inducements will be offered, and no man need apply who cannot send a certificate from the highest authority where he resides, as to his thorough business qualifications. Agents will have the right of as much territory as they will thoroughly canvass.

A BY-LAW.

To authorize the taking of Stock in "the Kingston, Pittsburgh, and Gananoque Joint Stock Road Company," to the amount of Five Thousand Pounds, and the issuing of Debentures in payment of the said Stock.

WHEREAS the construction of roads through the Township of Pittsburgh leading into this City, and the purchase of the Catarauqui Bridge in connection therewith, will greatly promote the interests of the City of Kingston. And whereas "The Kingston, Pittsburgh, and Gananoque Joint Stock Road Company" has been duly formed for the purpose of constructing such Road and Purchasing said Bridge; and it is expedient for this Municipality to encourge these works, by taking Stock in the said Company to the extent of Five Thousand Pounds, and in order to pay the said Stock, to issue Debentures for the sum of Five Thousand Pounds, payable in twenty years from date, with interest in the meantime half yearly. And whereas the whole rateable property of the City of Kingston, for the year One Thousand Eight Hundred and Fifty Three, was Sixty-six Thousand Pounds yearly value. And whereas the annual rate in the £, required as a special rate for the payment of the interest, and for the creation of a fund for the payment of the principal of the said Debentures will be two pence in the £.

Be it therefore enacted by the Mayor, Aldermen and Commonalty of the City of Kingston—

I. That it shall and may be lawful for the Mayor of the City of Kingston, for the time being, to subscribe in the name and on behalf of the City of Kingston, for One Thousand Shares of Stock in the Capital of "The Kingston, Pittsburgh, and Gananoque Joint Stock Company," and to act and vote for and on behalf of the City of Kingston, in all matters relative to such Stock, subject always to such rules and orders in relation to his authority, as shall be made by this Council, by By-Law or otherwise. Provided always that the Debentures hereinafter in the next clause mentioned, shall be taken by the said Company in payment of the said shares.

II. That it shall and may be lawful for the Mayor for the time being, to cause and direct any number of Debentures to be issued for such sum of money not exceeding in the whole the sum of £5,000. Such Debentures to be under the Common Seal of the City, to be signed by the Mayor and Chamberlain, to be dated on the actual days of issuing the same respectively, to be drawn with the principal, payable in Twenty Years from the Tenth Day of November in the present year, and interest in the meantime half-yearly, at the rate of six per centum per annum, and to be otherwise made out in such manner and form, as the Mayor shall think fit; and that it shall and may be lawful for the Mayor to pay and deliver the said Debentures from time to time in payment of the calls upon the said Shares of Stock to be subscribed for as aforesaid.

III. That a special rate of Two Pence in the £ upon the assessed value of all rateable property in the City and liberties of Kingston, over and above all other rates and taxes shall be raised, levied and collected annually from the year 1861, to the year 1874, both years inclusive, and shall be applied in payment of the interest on the said debentures and in the creation of a Sinking Fund for the payment of the said principal.

IV. That this By-Law shall come into force, and take effect from the 9th day of December in the present year.

NOTICE.

THE above is a true Copy of the proposed By-Law, to be taken into consideration by the Municipality of the City of Kingston at the City Hall in the said City, on the *4th day of December next*, at 7 o'clock in the evening, at which time and place the Members of the said Municipality are hereby required to attend for the purpose aforesaid.

The great success of this Institution in Europe, and the numerous Policies, issued by the different Agencies in Canada, evidently show that the advantages of Life Assurance are daily becoming more and more appreciated by those who feel the necessity of making some provision for their families, or securing the amount of debts due by or to them in case of premature death.
The income of the Company, independently of the large Subscribed Capital, is about Eighty Thousand Pounds, Sterling, per Annum, and of this a great part is continually accumulating for the payment of losses.
A Party effecting an Assurance with this Company, may do so for a fixed sum, payable at his or her death, without participating in the profits, and thereby secure an *immediate Bonus* by not paying more than is absolutely required to provide for the risk.
Among others, the following Improvements on the system usually adopted are recommended to the attention of the Public.
A Table (No. 2) of Increasing Rates of Premium, peculiarly advantageous in cases where Assurances are effected by way of securing loans of debts, at a less immediate payment being required on a Policy for the whole term of life than in any other Office; and the holder having the option of paying a periodically increasing rate, or of having the sum assured diminished, according to an equitable scale of reduction.
"A Table (No. 4) of Decreasing Rates of Premium on a novel and remarkable plan; the Policy-holder having the option of discontinuing the payment of all further Premiums after TWENTY, FIFTEEN, TEN, and even FIVE years; and the Policy still remaining in force, in the first case for the full amount originally assured, and in either of the three other cases for a portion of the same according to a fixed and equitable scale endorsed upon the Policy.
All claims payable within THREE MONTHS after proof of death.
No proof of Birth is required at the time a claim is made; the age of the Assured being, in every case, admitted in the Policy, cannot, under any circumstance, be afterwards called in question.
Policies effected by Parties on their own lives are not rendered void in case of death by Duelling or the hands of Justice. In the event of suicide, if the Policy be assigned to a *bona fide* Creditor, the sum assured will be paid without deduction; if the Policy be not assigned, the full amount of Premiums received thereon will be returned to the family of the Assured.
The necessary forms, and every requisite information, as to the mode of effecting Assurances, may be obtained either by letter or personal application to
