OFFICE FOR MILITARY BOARDS,
20th December, 1842.

SIR,—The Committee of the Consolidated Board of General Officers having had before them the two enclosed letters from Mr. JOSEPH STOVEL, (with Memorandums from the Duke of Wellington and the Deputy-Adjutant General attached thereto,) together with a pair of Trousers submitted by Mr. Stovel to exemplify the improvements which he proposes in the cut and make of that garment for the service of the Cavalry, have deemed it expedient to obtain his personal attendance, and also to see some Dragoons fitted with overalls made after this pattern, and they are, therefore, now in a position to form a decided opinion upon its merits.

The advantages of the proposed pattern over that at present established are, that it fits the body neater and better in any position; that while sitting closer at the fork, it affords a greater freedom of stride; and that the leg seam is so placed as to be less exposed to friction by the saddle or by the stirrup-leather. It is found, moreover, on reference to some of the principal Army Clothiers, who admit the proposed pattern to be an improvement, that these advantages can be obtained without entailing an additional expense upon the Colonel. The Board are, therefore, enabled to submit, for the consideration of His Grace the Commander-in-Chief, their entire approval of the proposed pattern, for which, in their opinion, Mr Stovel deserves much credit; & they have caused a pair of overalls to be prepared, of the proper quality, and of a size calculated to fit a man of 5 feet 10 inches in height, (the usual standard of sealed patterns,) which they beg to recommend to His Grace to be sealed as the established pattern, in place of that now deposited in this Office

I have the honor, to be, &c.,
(Signed,) JS. CHS. DALBLAC.

FRONT OF LEEDS AND LANSDOWNE.

BY-LAW NO. 64.

To Prohibit the Sale of Intoxicating Liquors in the Township of the Front of Leeds and Lansdowne.

WHEREAS experience hath shown that the Laws now in force are insufficient to suppress the great evils arising out of the abuse and Sale of Spirituous Liquors in that part of the Province heretofore called Upper Canada, and whereas by the fourth Section of the 16th Victoria, Chapter 184, power and authority are given to the several Municipalities to pass By-Laws for the prohibition of the Sale of Brandy, Rum, Whiskey, or other Spirituous Liquors, Wine Ale, Beer, Porter, Cider, or other vinous or fermented Liquors, provided the said By-Laws before the final passing thereof, be submitted, adopted and approved by a majority of the qualified Municipal Electors of the Municipality. And whereas it would be a great benefit to the inhabitants of the Township of the Front of Leeds and Lansdowne that a prohibitory By-Law be passed for said Township,

Be it therefore enacted by the Municipal Council of the Township of the Front of Leeds and Lansdowne, in Council assembled this 14th day of December, in the year of our Lord, one thousand eight hundred and fifty-four.

That from and after the final passing of this By-Law, any person or persons within the limits of said Township shall sell, vend or barter by Retail, Brandy, Rum, Whiskey, or other Spirituous Liquors; Wine, Ale, Beer, Porter, Cider, or other vinous or fermented Liquors, or shall cause or suffer the same, or any of the same, to be sold, vended or bartered by Retail in their house or premises, either directly or indirectly, such person or persons shall be liable to the penalties hereinafter ordained.

And every person so offending, being convicted thereof, before the Town Reeve, with any one, or more Justices of the Peace, who are hereby authorized and empowered to hear and determine the same, shall forfeit and pay a sum of not exceeding Ten Pounds Currency, nor less than five pounds Currency, as to the said Town Reeve and Justice or Justices, shall seem meet. And in default of payment of the said sum, together with the costs within the period specified for the payment thereof, at the time of conviction by the said Town Reeve and Justice or Justices, to issue their Warrant directed to any Constable to levy the said sum and costs within a certain time, to be in the said Warrant specified. And in case no distress sufficient to satisfy the said sum and costs shall be found, it shall be Lawful for such Town Reeve and Justice or Justices to commit the offender to the Lock up House, in the village of Gananoque, or in their discretion to commit such offender to the common Jail of the county for any time, not exceeding one Calendar Month, unless the said sum and costs shall be sooner paid.

Be it further enacted that all penalties imposed and recovered under the provisions of this By-Law shall be paid to the Township Treasurer and form part of the funds of said Township.

Be it further enacted, that in accordance with the hereinbefore in part recited Act, that the provisions of this By-Law be submitted to a vote of the Municipal Electors, at the next Annual Township Meeting, to be held in said Township, and to be taken in manner following, that is to say, that the Returning Officer cause two columns to be kept in his Poll Book, headed with the words License and no License; and a true Record to be kept of the votes Polled at said Municipal Election.

Be it further enacted, that this By-Law shall come into force and effect upon, from, and after the first day of March next, and not before.

Town Reeve.

BRITISH PERIODICALS.

EARLY COPIES SECURED.

LEONARD SCOTT & CO., New York, continue to re-publish the following British Periodicals, viz.:

1. THE LONDON QUARTERLY (Conservative).
2. THE EDINBURGH REVIEW (Whig).
3. THE NORTH BRITISH REVIEW (Free Church)
4. THE WESTMINSTER REVIEW (Liberal).
5. BLACKWOOD'S EDINBURGH MAGAZINE (Tory).

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year They will occupy a middle ground between the hastily written news-items, crude speculations, and flying rumors of the Daily Journal, and the ponderous Tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

☞ Arrangements are now permanently made for the receipt of EARLY SHEETS from the British Publishers, by which we are enabled to place ALL OUR REPRINTS in the hands of subscribers, about as soon as they can be furnished with the foreign copies. Although this involves a very large outlay on our part, we shall continue to furnish the Periodicals at the same low rates as heretofore, viz.:—
