Toronto, November 30, 1854.

OFFICE FOR MILITARY BOARDS,
20th December, 1842

SIR,—The Committee of the Consolidated Board of General Officers having had before them the two enclosed letters from Mr JOSEPH STOVEL, (with Memorandums from the Duke of Wellington and the Deputy-Adjutant General attached thereto,) together with a pair of Trousers submitted by Mr. Stovel to exemplify the improvements which he proposes in the cut and make of that garment for the service of the Cavalry, have deemed it expedient to obtain his personal attendance, and also to see some Dragoons fitted with overalls made after this pattern and they are, therefore, now in a position to form a decided opinion upon its merits.

The advantages of the proposed pattern over that at present established are, that it fits the body neater and better in any position; that while sitting closer at the fork, it affords a greater freedom of stride; and that the leg seam is so placed as to be less exposed to friction by the saddle or by the stirrup-leather. It is found, moreover, on reference to some of the principal Army Clothiers, who submit the proposed pattern to be an improvement, that these advantages can be obtained without entailing additional expense upon the Colonel. The Board are, therefore, enabled to submit, for the consideration of His Grace the Commander-in-Chief, their entire approval of the proposed pattern, for which, in their opinion, Mr. Stovel deserves much credit; & they have caused a pair of overalls to be prepared, of the proper quality, and of a size calculated to fit a man of 5 feet 10 inches in height, (the usual standard of sealed patterns) which they beg to recommend to His Grace to be sealed as the established pattern in place of that now deposited in this Office

I have the honor, to be, &c.,
(Signed,) JS. CHS. DALBLAC,
Lieutenant-General.

JOSEPH STOVEL.

BRITISH PERIODICALS.

EARLY COPIES SECURED.

LEONARD SCOTT & CO., New York, continue to re-publish the following British Periodicals, viz.:

1. THE LONDON QUARTERLY (Conservative).
2. THE EDINBURGH REVIEW (Whig).
3. THE NORTH BRITISH REVIEW (Free Church)
4. THE WESTMINSTER REVIEW (Liberal).
5. BLACKWOOD'S EDINBURGH MAGAZINE (Tory).

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news items, crude speculations, and flying rumors of the Daily Journal, and the ponderous Tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

☞ Arrangements are now permanently made for the receipt of EARLY SHEETS from the British Publishers, by which we are enabled to place ALL OUR REPRINTS in the hands of subscribers, about as soon as they can be furnished with the foreign copies. Although this involves a very large outlay on our part, we shall continue to furnish the Periodicals at the same low rates as heretofore, viz.:—

	Per ann.
For any one of the four Reviews	$3 00
For any two of the four Reviews	5 00
For any three of the four Reviews	7 00
For all four of the Reviews	8 00
For Blackwood's Magazine	3 00
For Blackwood and three Reviews	9 00
For Blackwood and the four Reviews	10 00

Payments to be made in all cases in advance. Money current in the State where issued will be received at par.

Canadian Subscribers supplied free of United States Postage.
