September 2008, Diane Shipley-Kardash, Kim Auty and Loretta Cordick, local former Toronto Argo cheerleaders, showed they could still 'shake it' as they took part in the 30th anniversary reunion celebration. Fifty former cheerleaders took to the field during the half-time show at the CFL game.

August 20, 2010. For her column in the Fall 2010 issue of Sideroads, local fitness girl Caroline Harris showed a few of her moves on the pole for her Sideroads healthy living column. I tell ya, it was a nasty job but someone had to go out and shoot it!!

June 17, 2009, I covered the graduation exercises at the Village Montessori and Child Care Centre. During the entertainment, five-year-old Quinn McMahon had a perfect expression to sum up the event. It's been said that if you photograph cute kids or animals, you can't go wrong.

Although there are always lots of hard news photos, from time to time it's nice to be able to photograph some tranquil pictures, and give the readership a 'pretty' picture. I spotted this avid angler fishing off the dam in Rockwood on a summer afternoon.

February 21, 2011 My second grandson Adam Willett and his mom (my daughter) Mary Ann enjoyed an up close and personal moment with a lamb. From that moment on, Adam has carried on a love affair with all things farm—tractors, animals, you name it, he loves them.
