SAMARITAN NERVINE

Nervous Weakness, Dyspepsia and the habit of opium Eating. These dispositions in life are by the worst evils that have ever befallen suffering humanity. Thousands die annually from these nostrum drugs. The drunkard drinks liquor and becomes his slave, it, but for the pleasure of drinking and treating his friends, little thinking that he is on his road to ruin. Like the opium Eater, he first uses the drug in small quantities as a harmless stimulant, but mark the end, it fastens on the victim strong hold upon the victim, leading to his final own destruction. The battle of Opium Eating or Liquor Drinking are primarily what eating is to alcoholism, an over-mind that influences the stomach, which influences the cerebral nerves, paralyzes both the stomach and appetite. No sober drink of liquor or dose of opium, instead of satisfying, only adds to the force. Strong, [illegible] Nervine, in small doses liquid. Like the strongest liquor or opium. Give, give, give! he never satisfied until the victim is stretched out in the grave. SAMARITAN great indeed relief to all who come to produce sleep, quiets the nerves, builds up the nervous system, and restores body and mind to a healthy condition.

To you, young middle-aged and old men, who are conscious of your condition, and unable to address, look up, you can be saved by timely efforts, and make yourselves useful members of society, and leads in the crown of your Maker, if you will do not keep this a secret longer, until it sears your vitals, and destroys both body and soul. Ayer's

Hair Vigor,

FOR RESTORING GRAY HAIR TO ITS NATURAL VITALITY AND COLOR.

It is a most agreeable dressing, which from its extreme delicacy, for preventing the hair from falling off, and for promoting a healthy growth, cannot be too highly esteemed. It cures scalp diseases and baldness often by restoring the hair upon bald heads. It keeps the hair from becoming dry and fading, and prevents its falling off. It is not to be compared with any other preparation for the purpose, and contains no poisonous ingredients. It cleans the scalp, cures and prevents the formation of dandruff, and, by its tonic properties, stimulates the scalp to healthy action, and restores the vigor of youth to the hair. It is the best dressing for children, on account of its purity and elegance. It is universally recommended by our patrons as the most agreeable article of the toilet.
