Females should be without it. It prolongs the Menstrual Period, gives rosy cheeks and nature's proper vigor.

SAMARITAN NERVINE

Cures Alcoholism, Drunkenness and the habit of Opium Eating. These degradations in life are by far the worst evils that have ever infested suffering humanity. Thousands die annually from these destructive drugs. The drunkard drinks liquor and consumes its fiery fluid for the pleasure of defiling and tormenting his friends. While thinking that he is the end of them. Like the Opium Eater, he first uses it to relieve pain, and then to induce sleep, and the end is the same. The unfortunate victim of intoxicating liquid upon the altar, sacrificing his life to his idol, Intoxication. The victim of Opium Eating and Liquor Drinking are precisely what nothing is to Alkaloid poison, an over-acting fluid inflamed the stomach, which redoubles the cravings until it exists one hell like torment, and unable to resist the cries of pain or cries of anguish, instead of satisfying only adds fuel to the flame. Now, with commencement that for a and than itself. Like the gladiators lions in the Roman Circus, the victim of Opium Eating and Liquor Drinking, the victim of Opium Eating and Liquor Drinking, the victim of Opium Eating and Liquor Drinking
