Ayer's
Hair Vigor,
FOR RESTORING GRAY HAIR TO ITS NATURAL VITALITY AND COLOR.

It is a most agreeable dressing, which is at once harmless and effectual, for preserving the hair. It restores, with the vigor of youth, the lustre and beauty of the hair, and imparts to it such lasting qualities as to preclude the possibility of its falling or turning gray. It prevents baldness, cleanses the scalp from all dandruff and other impurities, and nothing else will so gratify those who desire to have a luxuriant growth of hair. It stops the hair from falling out, and promotes a healthy growth where the glands are not destroyed, while to bristles, weak, or diseased hair, it imparts strength and vitality, and renders it pliable.

The Vigor cleanses the scalp, cures and prevents the formation of dandruff, and, by its use, consequently, not nothing else is needed to keep the hair in order. Gentlemen, who have to use it on their own heads, find it the most agreeable of all hair dressings.

As a Dressing for Ladies' Hair it is unsurpassed.

WEATHER PROGNOSTICATIONS

READ THIS.

THE NEW AMERICAN WEATHER PROPHET, Issued to Date, predicts a HOT MAY, Cooling June warm, and a COOL JULY AND AUGUST. Protect your Seed Corn and Potatoes.

A STRAW HAT

CALLAWAY'S CITY HAT STORE.

Notes from Whitby

This is the county town for Ontario county, which is divided into two ridings—north and south. The town is handsomely situated on the edge of that celebrated lake which bears the same name as this county, and is about thirty miles east of Toronto. It is also the starting point of the Whitby, Port Perry and Lindsay Railway, which has contributed largely to the prosperity of the place. The streets are wide and well kept, whilst the blocks of fine stores and public buildings would do credit to a city, and among the latter may be mentioned the Court House, the Opera, the Collegiate Institute, the Ladies' College, which is one of the best edifices in the province—the English Church, Methodist and Presbyterian churches, the minister of the latter being the Rev. Mr. Ahearn, who is a scholarly man and an able preacher.

[illegible]

are said to be better than they have been for years, notwithstanding the fact that the county did not sustain the S.P., having elected two reformers, Mr. Gibson, who is elected for this riding, although opposition has many good points of a supporter, and Mr. Mowat, who is the idol of the reform party, a champion of labour, being President of the Trades and Labour Council of the Province of Ontario, three miles from here.

[illegible]

have now become public institutions, and are looked forward to with something of the same interest which attends the opening of other public institutions, and the day (Thursday) being observed here as such the town is filled with strangers. Special trains at expense were required to make the place and occasion attractive to the people, which were under the management of the Athletic Club, who had arranged, and supplied a programme of sports, which comprised some of the best athletic programmes, and a grand competitive procession, and a band tournament, the latter having a prize of being $150, which called forth considerable competition. The weather (cloudy) was favorable for delivering the special prosperity, as a branch of a new bank was to be opened here about the 1st of Sept. I understand that Mr. Hoare of this place is about to erect his commodious and elegant residence on the Lake Ontario, which is the most elevated point in the Western, which is the most elevated point in the city, and which, after the manner of an engineer, and has all the modern improvements, and is to be a model residence, and is to cost $4,000. Mr. Hoare is expected to be at Oshawa, at the opening of the new Methodist church, on the 20th inst., when a programme of high musical talent is to be given. Among those the Misses Fisk, Mr. R. W. Barker, Post Office Inspector of London, passed here with his family on the 1st inst. Mr. Barker is to spend their holidays and from Mr. Barker's long connection with Post Office, and his popularity as a public officer, he will meet here a warmly greeted by his many friends as ever.

Premature Loss of the Hair

May be entirely prevented by the use of Burnett's Cocoaine.

The superiority of Burnett's Flavoring Extracts consists in their perfect purity and strength.

Consumption.—A minister will send to his fellow sufferers the prescription which cured him of this disease. The remedy is a certain cure for consumption, asthma and all throat and lung diseases. Address, Rev. W. A. Wilson, Bridgenorth, Ontario.

All the People of the Dominion of Canada are Concerned.

The Spirometer is sent to any address free of charge, on receipt of price, $5. Inhaler, $1 extra. The instrument is used in the most delicate cases of lung disease without the slightest inconvenience. Address, Dr. Sorenson, Spirometer Institute, 102 Church Street, Toronto, Ontario. Mention this paper.

Pain and Suffering

Is the common lot of all. Our ancestors gave some hundred proof of this, and we have never been in a position to forget it. It costs should in your case and buy a bottle of the finest grape cures and buy a bottle of Hop Bitters. Take no other kind, for they are the purest and best and will cure you.

If you are disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it, there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sold everywhere at 25 cents a bottle.
