TO INVALIDS.

TO THE EDITOR OF THE DAILY NEWS.

As hundreds throughout the Province are dying of consumption, and as I have been myself providentially rescued from its jaws, through the peculiar treatment by inhalation, of that eminent physician, Dr. Phillips, of Toronto, I am forced through indebtedness to him, and also for the good of suffering humanity, to give the following testimony:—"In the latter part of the year 1866 I took a severe cold which settled upon my lungs. The cough, in time, gradually increased, attended by an intense pain in the chest, the casting up of thick, yellow matter, occasionally mixed with blood, night sweats, and sleepless nights, loss of appetite, shortness of breath, and a reduction in flesh of thirty pounds and more—in a word, a thorough disarrangement of the whole system, being tortured with pain both day and night, as if upon a rack, till I became a perfect skeleton. I took Cod Liver Oil and Cherry Pectoral, &c., but all to no avail; and now, having lost all hope of recovery, nothing but death stared me in the face. Friends gave me up for lost; but God himself took compassion on me by placing within my reach a similar testimonial to that which I am now writing. It was published in the Toronto *Leader* by a patient who had been restored to health through the treatment by inhalation, of Dr. Phillips. After reading it I placed myself immediately under his care, and would you believe it, reader, that in one week, through the use of the inhaler, I was rid of all pain? The cough gradually gave way, the night sweats ceased, my appetite returned, my strength increased, and I regained my loss of strength. The pallid cheek, the emaciated countenance, and general depression, were exchanged for that ruddy appearance, elastic step, and buoyancy of spirits which I once possessed. And now that I feel able to resume my business in life, laugh, sing, and enjoy the pleasures of society as usual, I begin almost to forget that I was ever sick. Feeling that I owe my life and my all, through God, to Dr. Phillips, of Toronto, (having sought his aid just in time to rescue me from a premature grave), I would say to him who is suffering, "Go thou and do likewise."

JOHN M. MOORE.

Huston, Marryboro', Sept. 15, 1868.

NOTE.—Dr Phillips will be at the Burnett House, Kingston, for consultation on Wednesday April, 28th instant, from 9 A.M. till 4 P.M. Consultation free.
