FERGUSON v. CORPORATION OF FRONTENAC—Patterson, Harrison & Patterson, for defendants, moved absolute a summons for a *certiorari* to remove this action from the Division Court at Kingston to the Queen's Bench. Mr Smith showed cause. The action was for Sheriff's fees. Mr Smith showed that the Magistrates had settled the amount due the Sheriff, and the Deputy-Judge had certified the amount correct. The defendants endeavoured to raise a number of legal questions as to the relative liability of the County and the Ontario Government, and the validity of the audit of the Magistrates. Mr Smith contended that these questions could not be raised, as the Deputy-Judge had heard and decided the matter before he certified the amount correct, the finding of the Judge was conclusive. Patterson, Harrison & Patterson contended that the account contained items which were chargeable against the Government, and they had never been audited by the Board who should audit Government accounts. The proceedings had been taken under the old Act, and the Law Reform Act had introduced changes as to the audit, which had not been complied with. His Lordship granted order for the *certiorari*.

H. M troopship Crocodile, now at Quebec, is an iron screw steamer of 4,173 tons, mounting three guns, and has engines of 700 horse-power. Her average speed at sea is about 13 knots an hour.

Sir R T Murchison writes to the *Times* regretting that the report of Dr. Livingston's having proceeded from Zanzibar to England, in January, s incorrect. Up to to the 5th of March no news of him whatever had reached Zanzibar. Sir R. Murchison puts forth a theory concerning Livingstone's movement, which, if correct, will prevent his being heard of for sometime to come.

The chaplain of the New York Assembly is evidently well informed regarding the doings in the Legislature, for in his prayer at the opening of the House on Thursday, he besought the Ruler of the Universe to withwart the design of those bad men who loiter about the halls of the Legislature, with bribery in their hands, and still worse bribery in their hearts, to corrupt the Representatives of the people, and promote wicked legislation."

The excitement caused by Castelar's speech spread all over. Four or five columns of the *Discussion* and the *Igualdad* are filled daily with copies of congratulations and felicitations sent to Signor Castelar by telegraph from all parts of the kingdom. The monarchical papers, which have hitherto always underrated his speeches, have every one articles laudatory of this great effort. Even the *Imparcial* and the *Iberia*—government organs—speak of him as being a "national glory."

A use has been found for dogs at last. A seven-year-old boy fell overboard from a canal boat in Buffalo last Wednesday, but saved his life by clinging to the carcass of a dead dog, which was floating on the water, until help arrived. The Buffalo *Express*, in noticing the affair, says: "This is the first case that has come within our knowledge for years wherein a dog has been of any practical utility in this city; but it contains a suggestion which, if acted upon, may prove beneficial to mankind."

The last number of the Quebec *Official Gazette* contains an advertisement by which it appears that the Roman Catholic church of St. Jean Chrysostome, in the county of Chateauguay, will be sold by Sheriff's sale. If we are not mistaken, it is the first time that such a sale has been advertised in the Province of Quebec. C. J. Rotier, Esq., of Montreal, is the creditor in this case. Together with the Church will be sold three altars, a pulpit, 271 pews, the churchwarden's pew, &c. Also, the old church, the vestry, the parsonage, &c.—*Le Voix de Galte.*

THE FUNNIEST THING
OF ALL
THE FUNNY THINGS.

WHY, MORRISON, said a friend to-day, I am proud to hear that you received an order from His Excellency the Governor General for some of your XXX PASTRY FLOUR and SUGAR-CURED HAMS; but I supposed he could have got them at Ottawa. Well, said I, if that's not the funniest thing of all the funny things. Were you aware that my Flour and Hams and Kiln-Dried Oatmeal are constantly used in many of the best families at Ottawa? Did you suppose but the Governor General knew where to get good things as well as humbler folks? 100 barrels Thistle Mill Flour expected Monday. 200 bags best Family Flour do. 25 barrels Kiln-Dried Oatmeal on hand. Everybody deals at MORRISON'S, and Morrison thanks everybody.
