CABLE NEWS.

London, May 28.—Much rain has fallen throughout England during the past few days, and the weather is still very wet. Attendance at the Epsom races to-day was consequently quite small and the track heavy. The first race was for a purse of the Oaks stakes of 50 sovereigns each, closed with 193 subscribers, 14 of which contested. The race was won by Mr Ridsdale's b. f. Brigantine, beating Sir J. Hawley's Martinique third. The betting was 5 to 1 against Brigantine, 2 to 1 against Martinique, and 8 to 1 against Martinique.

London, May 28.—The *Times* this morning, in reviewing the Messrs. Laird's letter to Mr Adams, denies any negligence on the part of the Government in permitting the Alabama to sail. The writer deplores the defiency of the law and considers the decision most mischievous. The question of liability between States for the injurious acts of the law, is a doubtful one.

The *Daily News* says it will want good reasons that the American Minister, Mr Reverdy Johnson, is empowered to express the regret of the President and the Senate, certainly of their sanction of the Alabama.

Meetings throughout the country are forming meetings to protest against the disestablishment of the Irish Church.

In the House of Commons this evening on the Church Bill being up, Mr Gladstone said that there was no intention of touching the system of national education in England, but that amendments might be introduced.

The Right Hon. Mr Monsel in reply to Colonel Wilmot Horsley, said he thought an appropriation of money for the Intercolonial Railway out of the debts of Canada would not be advisable, considering the precautions taken to secure the sum available when needed.

The New York City Council has adopted a petition for the pardon of the Fenian prisoners.

Paris, May 28.—Serious disturbances occurred to-day, at Malaga and Seville, directed against the Provisional Government. The details are as yet not known.

Queenstown, May 29.—The steamer Erin from New York, has arrived.

New York, May 29.—The *Herald's* Paris letter says the Americans in Paris have given a farewell address to General Dix, which he replied by inviting 400 of his countrymen to a banquet at the Grand Hotel, June 1st.

FINANCIAL AND COMMERCIAL.

London, May 29th, p.m.—Bonds quiet and steady at 73¼; Erie 18¼.

Liverpool, May 29th, p.m.—Lard 59s 6d; Petroleum 1s 2d.

New York Press Despatches.

Leavenworth, Kansas, May 28.—News from Kearney says that four men out of a party of fifty buffalo hunters were killed by Indians on Monday.

Chicago, May 28.—The storm which prevailed Wednesday night and yesterday did damage to the crops, railroads and bridges, in many parts in the north and west, particularly in the central part of the city.

San Francisco, May 28.—Georgetown, Colorado, was nearly destroyed by fire yesterday and many lives were lost.

New York, May 29.—Prince Louis Ferdinand Bourbon of Naples, nephew of Queen Isabella, was married yesterday to Miss Amelia Hammil, of Havana, by Cardinal Wiseman in St. Peter's Church, Rome. The same couple were married some time ago under peculiar circumstances by Justice Dodge in the Jefferson Market Police Court in this city.

A Washington special says the despatches from England printed in the journals there are regarded here as favourable to the United States, and in official circles it is believed that a resumption of negotiations on the Alabama question by the English government is not very far distant.

Reverdy Johnson is very severely criticised for the argument of his letter in the London Times. It has given great offence in diplomatic circles, and his criticism on members of the English Embassy is considered as if not false, at least extremely distasteful. The comments in reference to Mr Sumner are entirely untrue. The Massachusetts Senator made no request for the removal of the injunction of secrecy, and there was only one sentiment against the publication of his speech.

Wheeling, West Virginia, May 28—Three o'clock this afternoon the most violent rain and hail storm ever known in this city passed over this city, lasting twenty minutes, damaging buildings and crops. Loss $20,000 to $50,000.

The Hartford Post visits Prof. Goldwin Smith with severe censure for venturing to find fault with Senator Sumner's speech. It says it was unbecoming a college professor, perhaps a violation of the courtesy extended to him in the invitation to occupy a chair in our university.

It is gratifying to know that all the immigrants who have arrived in Canada this spring find immediate employment.
