A POCKET TIME PIECE—FOR

BRITISH AMERICAN Commercial College.

NECESSITY FOR A THOROUGH MERCANTILE EDUCATION

PRIZE PENMANSHIP.

A PRIZE IS ALSO OFFERED

THE IMPORTANCE OF A THOROUGH BUSINESS EDUCATION [illegible]

THE BRITISH AMERICAN COMMERCIAL COLLEGE has to-day operations such a course of [illegible] has never been proposed.

An important feature in this institution is its well organized ACTUAL BUSINESS SYSTEM, whereby the College is made a type of trade, not only of an extensive business house, but even of a large trading community.

Another feature in the course of this College is that it adopts an extraordinary teaching. Its watchwork is ONE, and to the accomplishment of that work every effort is bended. Just as the Primary and Grammar Schools must be separate from the Commercial College and the Elementary Schools must be distinct. Common sense and experience alike show that such a combination is incompatible with efficiency.

The time required to complete the full course varies greatly, according to the attitude and ability of each student. Young men, however, are earnestly cautioned against the ruinous practice of hurrying through the course from the mistaken idea that they will thereby be gainers by the saving of money in the item of board. Infinitely more advantage will accrue to the student, since the full course of tuition is merely paid for, to one of the comparatively small additional expense of a few weeks board in order to make himself completely master of the course, and thus, by a small expenditure of money, qualify himself for some lucrative situation. The crudeness that such haste entails is highly detrimental, not only to the student himself, but also to the College where he graduates, and, besides, it brings opprobrium on Commercial Colleges generally. The common practice, therefore, of holding out this crowding system as an inducement to students is most decisively and highly reprehensible.

We were again awarded the FIRST PRIZE at the late Provincial Exhibition, Kingston, for the best specimen of BUSINESS PENMANSHIP, and an EXTRA PRIZE for our SYSTEM OF WRITING.

ALLEN'S
LUNG BALSAM
THE REMEDY FOR CURING

Consumption, Coughs, Bronchitis, Asthma, Croup, Diseases of the Throat, Pains and Oppression of the Chest or Lungs, Difficult Breathing, And all the Diseases of the Pulmonary Organs.

This BALSAM is introduced to the suffering public after its merits for the above diseases have been fully tested. The formula from which it is prepared is published in the leading medical journals as being equal to any prescription that can be made up by any of the medical faculty. The BALSAM is, consequently, recommended by physicians who are acquainted with its great success.

AS AN EXPECTORANT IT HAS NO EQUAL.

It is composed of the active principles of Roots and Plants, which are chemically extracted so as to retain all their medicinal qualities.

MINISTERS AND PUBLIC SPEAKERS,

Who are so often afflicted with Throat Diseases, will find a sure remedy in this Balsam. Troches and Wafers sometimes give relief, but this BALSAM, taken a few times, will insure a cure.

WILL THE AFFLICTED CLERGYMAN PLEASE TO READ THE MERITS?

TESTIMONIALS OF PHYSICIANS.

Dr. Nathaniel Harris, for many years a resident of Middlebury, Vermont, recommends BALSAM as being superior to all other remedies for Bronchitis. He says;

"I have no doubt it will soon become a classical remedial agent for the cure of diseases of the Throat, Bronchial Tubes, and the Lungs. NATH. HARRIS."

Dr. Lloyd, of Ohio, surgeon in the army during the war, from exposure contracted during the late war, suffered from a severe attack of Bronchitis. He says:

"I have no hesitancy in stating that it was by the use of your LUNG BALSAM that I was restored to health and enjoying health."

Dr. Fletcher of Missouri, says:

"I reccommend your BALSAM in preference to any other medicine for coughs, and it has given satisfaction."

DR. A. L. SCOVILL,

Who has, for many years, been known to the public throughout the United States as the inventor of remedies for the Lungs, recommends ALLEN'S LUNG BALSAM as surpassing everything ever been offered to the public for the cure of Lung Diseases. He has used it in his own family with great success in the case of his sister, who was supposed to be in the last stage of Consumption. This lady is now well, and has been permanently cured by

ALLEN'S LUNG BALSAM.

Physicians who have failed to cure their patients should try this medicine before they give the case up, as we know very many valuable lives have been saved by being prompted to a trial.

DON'T DESPAIR because all other remedies have failed, but try this remedy and you will not be deceived.

SOLD BY ALL DRUGGISTS.
