IMPORTANT NOTICE.

GREAT REDUCTION IN PRICE

OF THE

AMERICAN WATCH.

THE AMERICAN WATCH COMPANY of Waltham, Mass., being determined to place their several grades of Watches at prices within the reach of all parties and to effectually shut out all Swiss counterfeit watches, have decided from this date to supply their Watches in the Dominion of Canada

AT THE NETT GOLD VALUE OF AMERICAN CURRENCY.

The Company by thus paying all duty, costs and charges on their watches into Canada, will apply to the people of the Dominion

The Cheapest Watches in the World!

The Watches are of all grades, from the finest Gold Watch made, adapted to any climate from the Tropics to the Poles, at a price to suit the wealthy connoisseur or for presentation, to the cheap Silver Lever, strong and serviceable, regulated to minutes, suitable to the Mechanic or Farmer, and quite as low in price as any moderate quality Swiss Watch. Our grades of

EXTRA HEAVY CASED WATCHES FOR RAILWAY ENGINEERS AND LUMBERMEN,

deserve particular attention in Canada, as nothing can equal them for the purpose. Our leading Watches

IN 18 CARAT GOLD CASES FOR LADIES AND PRIVATE GENTLEMEN,

at medium prices, will also be found very desirable.

We are frequently asked why we don't advertise prices, we reply that as we only supply the Trade, and as our Watches are now kept by most respectable houses, the public can rely on being served at a fair advance on the Manufacturer's List. Our trade marks are AMERICAN WATCH CO., APPLETON, TRACY & CO., WALTHAM WATCH CO., P. S. BARTLETT, WM. ELLERY, HOME WATCH CO. Guaranteed in all cases by special certificate (except the HOME CO., which is guaranteed by the seller). The purchaser should always require the guarantee, as there are Swiss Counterfeits for sale in some places.

The Great Secret of selling goods cheap is to buy them cheap and charge a small profit. We don't repeat the old cry of Selling off at Cost Price, Sacrificing the Stock, &c. We come out boldly before the public, and quote the price of our goods, and show them at the door with the prices marked in large figures. Or to save ladies from the annoyance now so common of being rudely forced to buy, we will send samples on application, postpaid, to any address.

VANCOUVER AND ANNEXATION.

Mr. Seward is developing into a Bonaparte of diplomacy. He has already one hand grasping at the West Indies, another, after pocketing Alaska, is reaching its way to the North Pole, and he is fingering among the Sandwich Islands and it seems that he has designs upon Vancouver's Island as well. From this last colony a petition has been forwarded to her Majesty setting forth the difficulties under which it now labours, intimating that a union with the Canadian Confederation would be of no use to them, and requesting permission to become a portion of the United States. But the Canadian papers assert that this petition, as been written by paid agents of Mr. Seward and by American residents, that those who have signed it are men notoriously opposed to everything British, and that it represents the wishes only of an insignificant minority in the colony. It is at least certain that the members of the Colonial Legislature have voted a most unanimously for union with Canada, and that the journals of Vancouver's Island are, with one exception, in favour of confederation. This colony is decidedly of importance to the Dominion for there can be little doubt that New Minster is destined to become a great naval and commercial depot—the Halifax of the Pacific coast.—*Ont. Mag. Gazette.*

At the Mansion House, on Wednesday, the Lord Mayor said that the Clerkenwell Relief Committee had already dispensed £415 towards alleviating the immediate sufferings of the people by the explosion, and £1000 towards repairing the loss and damage of furniture and tools owned by persons who could but very ill afford to suffer such loss and inconvenience. The committee had a balance of £1,500 in hand, after providing for those casualties, but fresh claims were being made upon them daily.
