The Captain General of Cuba has determined to prevent the organizing or dispatching of any expeditions to Yucatan. The ... powers of Santa Anna are consequently ... depressed.

New York, Jan 23 — The Herald's Havana special says — Vague reports are current here that 20,000 muskets have been secretly shipped to Yucatan. A certain ... of schemers here pretend that orders have been issued to the troops to hold themselves in readiness for two hours notice. Santa Anna has scarcely ten thousand dollars at his command, and is vainly endeavouring to borrow. The contraband trade along the Rio Grande had become ... profitable to wealthy Texans, and consequently failures were taking place, and many families were ruined. Kidnapping was on the increase. A Senor Alvarez was kidnapped and had to pay a ransom of $25,000. The port of Sizia was still blockaded, and fighting between the rebels on shore and national war vessels continued, and no communication with the shore was allowed. The Mexican Government had chartered the United States mail steamer George ... to convey troops &c to Yucatan. The vote of St Croix on the question of annexation to the United States, resulted unanimously in favour thereof. 2,050 votes were cast, all in favour of annexation.

Rochester, Jan. 22 — The Common Council of this city last night unanimously adopted a resolution indicating a purpose to largely increase the taxes upon the property of the Central Railroad Company and also to enforce the ordinance relating to the running of trains across the city. It is estimated that by this action the taxes may be increased 30 or 40,000 dollars per annum. Owing to the peculiar location of the tracks compliance with the ordinances will greatly embarass the company.

We come out boldly before the public, and quote the price of our goods, and show them at the door with the prices marked in large figures.
