THRESHING MACHINES

Simcoe Falls Foundry.

THE PROPRIETOR STILL CONTINUES to manufacture Threshing Machines of the following description: Emery's Improved Internal Gear Overshot Machine; Wheeler's Rack and Pinion Power, single or double. He would solicit a call from the Farmers in general, before purchasing elsewhere, to an inspection of the latest improved Badger two-horse power Threshing Machine, which he engages will give general satisfaction to the purchaser, as the labor is reducedon the horses, and can with ease thresh one-quarter more grain a day than any of the above Machines. The Subscriber obtained an extra prize on this Machine at the last Provincial Show at Kingston, Sept. 1856, for strength and durability, combined with lightness. This Machine cannot be excelled in the Province. The following gentlemen are now using this Machine of my manufacture, and I would refer purchasers to them, viz:—B. Waters, Esq., Sydenham; Joseph Foster, Esq., 5th Concession, Camden; Gordon Garrison, 4th Concession do.; Mr A. Scott, Centreville; and Mr W. Reed, Glenburnie.

Also, Circular Saws, Machines for sawing wood, at the shortest notice.

ALLEN'S LUNG BALSAM

THE REMEDY FOR CURING

Consumption, Coughs, Bronchitis, Asthma, Croup, Diseases of the Throat, Pains and Oppression of the Chest or Lungs, Difficulty of Breathing, And all the Diseases of the Pulmonary Organs.

This BALSAM is introduced to the suffering public after its merits for the cure of the diseases have been fully tested. The formula from which it is prepared is published in the leading medical journals as being equal to any prescription that can be made, and is recommended by the medical faculty. The BALSAM is, consequently, recommended by physicians acquainted with its great success.

AS AN EXPECTORANT IT HAS NO EQUAL.

It is composed of the active principles of Roots and Plants, which are so combined as to retain all their medicinal qualities.

MINISTERS AND PUBLIC SPEAKERS

Who are so often afflicted with Throat Diseases, will find a sure remedy in this Balsam. Troches and Wafers sometimes give relief, but this BALSAM, taken a few times, will effect a cure.

WILL THE AFFLICTED CLERGYMAN PLEASE READ THE MERITS?

TESTIMONIALS OF PHYSICIANS.

Dr. Nathaniel Harris, for many years a resident of Middlebury, Vermont, says of BALSAM as being superior to all other remedies for Bronchitis. He says:

"I have no doubt it will soon become a classical remedial agent for the cure of the Throat, Bronchial Tubes, and the Lungs."

Dr. Lloyd, of Ohio, surgeon in the army during the war, from experience in the action. He says:

"I have no hesitancy in stating that it was by the use of your Lung Balsam I regained and enjoying health."

Dr. Fletcher of Missouri, says:

"I reccommend your BALSAM in preference to any other medicine for complaints of the kind, as it has given satisfaction."

DR. A. L. SCOVILL,

Who has, for many years, been known to the public throughout the United States as the inventor of remedies for the Lungs, recommends ALLEN'S LUNG BALSAM as superior to all other remedies ever been offered to the public for the cure of Lung Diseases. He has used it in his own family with great success in the case of his sister, who was supposed to be in the last stage of Consumption. This lady is now well, and has been permanently cured by

ALLEN'S LUNG BALSAM.

Physicians who have failed to cure their patients should try this medicine before giving their case up, as we know very many valuable lives have been saved by being given in time.

DON'T DESPAIR because all other remedies have failed, but try this remedy and be cured.
