BRITISH AMERICAN Commercial College.

NECESSITY FOR A THOROUGH MERCANTILE EDUCATION.

PRIZE PENMANSHIP.

SUPERIOR ADVANTAGES OFFERED.

THE IMPORTANCE OF A THOROUGH BUSINESS EDUCATION is pressing itself on the attention of commercial circles more and more every day, and its advantages are perhaps more emphatically shown by nothing more than by the vantage ground on which **it places the *fully trained* clerk above the *imperfectly trained one*,** when for a situation.

THE BRITISH AMERICAN COMMERCIAL COLLEGE has in full operations such a course of instruction as to give it *practical fitness* to do the work proposed.

An important characteristic of this Institution is its maturely organized ACTUAL BUSINESS SYSTEM, whereby the College is made a type or model not only of an extensive business house, but even of a large trading community.

Another distinctive feature of this College is that it attempts no extraneous teaching. Its work is ONE, and to the accomplishment of that work every effort is directed. Just as the University and Grammer School must be separate Institutions, so the Commercial College and the Elementary School must be distinct. Common sense and experience alike show that such a combination is not compatible with efficiency.

The time required to complete the full course varies considerably, according to the attendance, and ability of each student. Young men, however, are earnestly cautioned against the injurious practice of hurrying through the course from the mistaken idea that they will thus be gainers by the saving of money in the item of board. Infinitely more advantageous would it be to the student, since his full course of tuition is already paid for, to incur the comparatively small additional expense of a few weeks' board in order to make himself completely master of the course; and thus, by a small present outlay, qualify himself for some lucrative situation. The crudeness that such haste entails is highly detrimental, not only to the student himself, but also to the College where he graduates; and, besides, it brings opprobrium on Commercial Colleges generally. The common practise, therefore, of holding out this crowding system as an inducement to students is most deceptive and highly reprehensible.

We were again awarded the FIRST PRIZE at the late Provincial Exhibition, Kingston, for the best specimen of BUSINESS PENMANSHIP, and an EXTRA PRIZE for our SYSTEM OF WRITING.

ALLEN'S LUNG BALSAM

THE REMEDY FOR CURING

Consumption, Coughs, Bronchitis, Asthma, Croup, Difficulty of Breathing, Pains and Oppression of the Chest or Lungs, Diseases of the Throat, And all the Diseases of the Pulmonary Organs.

This BALSAM is introduced to the suffering public after its merits for the cure of these diseases have been fully tested. The formula from which it is prepared has been published in leading medical journals as being equal to any prescription that can be written by the medical faculty. The BALSAM is, consequently, recommended by those acquainted with its great success.

AS AN EXPECTORANT IT HAS NO EQUAL,

It is composed of the active principles of Roots and Plants, which experience has proved to be as efficacious as to retain all their medicinal qualities.

MINISTERS AND PUBLIC SPEAKERS

Who are so often afflicted with Throat Diseases, will find a sure remedy in this Balsam. Troches and Wafers sometimes give relief, but this BALSAM, taken as a syrup, will effect a cure.

WILL THE AFFLICTED CLERGYMAN PLEASE CONSIDER THE MERITS?

TESTIMONIALS OF PHYSICIANS.

Dr. Nathaniel Harris, for many years a resident of Middlebury, Vermont, says of the BALSAM as being superior to all other remedies for Bronchitis. He says:

"I have no doubt it will soon become a classical remedial agent for the cure of Diseases of the Throat, Bronchial Tubes, and the Lungs.

Dr. Lloyd, of Ohio, surgeon in the army during the war, from experience in its application. He says:

"I have no hesitancy in stating that it was by the use of your Lung Balsam that I regained health, and enjoying health."

Dr. Fletcher of Missouri, says:

"I reccommend your BALSAM in preference to any other medicine for the relief of my patients."

DR. A. L. SCOVILL,

Who has, for many years, been known to the public throughout the United States as the proprietor of remedies for the Lungs, recommends ALLEN'S LUNG BALSAM as superior to any other remedy ever been offered to the public for the cure of Lung Diseases. He has used it with great success in the case of his sister, who was supposed to be in the last stage of Consumption. This lady is now well, and has been permanently cured by

ALLEN'S LUNG BALSAM.

Physicians who have failed to cure their patients should try this remedy in such a case up, as we know very many valuable lives have been saved by its timely use. Give it a trial.

DON'T DESPAIR because all other remedies have failed, but try the Balsam, and be cured.

SOLD BY ALL DRUGGISTS.
