IN
THE FIELD AGAIN,
Not as a Politician, but as a
PRACTICAL PIANO FORTE MAKER.

HAVING had over twenty years experience in Canada and the United States in the manufacture of Grand, Square and Upright Piano Fortes, takes the opportunity of intimating to the citizens of Kingston and vicinity, that he has every facility for repairing Pianos of every description.

Piano Fortes Regulated. Piano Forte Hammers capped with a very superior quality of leather.

Pianos Tuned. Terms moderate.

Orders left at my residence next door to the Royal Engineer Office, Queen-street, punctually attended to.

A STITCH IN TIME
SAVES NINE

J. REYNER'S Tuning and Repairing Establishment is in perfect order. J. R. having engaged the best practical workmen, is fully prepared to do the work in his line, to repair Pianos and musical instruments in general, on the most reasonable terms. Parties in Kingston and vicinity have now a chance seldom offered, of having their Pianos put in tune by J. Reyner, with their orders for the same, which will enable him to keep the best workmen so that they will not leave the city, and to keep good mechanics here for all branches of trades and professions is the great and powerful argument which, more than all others, induces people to live in a city. Pianos repaired and made as good as new, at a small expense of time. Prices as low as possibly can be.

The Great Secret of selling goods cheap is to buy them cheap and charge a small profit. We don't repeat the old cry of Selling off at Cost Price, Sacrificing the Stock, &c. We come out boldly before the public, and quote the price of our goods, and show them at the door with the prices marked in large figures. Or to save ladies from the annoyance now so common of being rudely forced to buy, we will send samples on application, postpaid, to any address.
