The Great Secret of selling goods cheap is to buy them cheap and charge a small profit. We don't repeat the old cry of Selling off at Cost Price, Sacrificing the Stock, &c. We come out boldly before the public, and quote the price of our goods, and show them at the door with the prices marked in large figures. Or to save ladies from the annoyance now so common of being rudely forced to buy, we will send samples on application, postpaid, to any address.
