### CABLE NEWS.

London, March 3.—Another effort to get a jury in the case of Gen. Nagle, at Dublin yesterday. Mr Heron, Nagle's counsel, renewed his motion to remove the case to the Court of Queen's Bench, which was denied. It is probable that a mixed jury will now be obtained.

London, March 3.—It is said that Baron Nathan De Rothschild is to be raised to a higher rank in the peerage.

Dublin, March 3.—At the Sligo assizes on the trial of Nugent for treason was continued, in consequence of the illness of the jurors, and postponed until the next term of the Court.

Liverpool, March 3.—The English schooner Ann, with a cargo of naptha and petroleum, was destroyed by fire to-day. The captain and crew perished in the flames.

London, March 3.—The Minister of State has authorized to confiscate the estates of the ex-King of Hanover.

Malta, March 3.—A report has reached here from the East that the United States has made a proposition to the Turkish Government offering to build a port at Marmora, on the Coast of Asiatic Turkey, to be used as a station for the vessels of the American navy, but the Sublime Porte declined to grant the necessary concessions for the purpose.

New York, March 5.—The *Herald's* London special gives the following from Abyssinia:

King Theodore moves slowly from his camp, but could determine to abandon his but baggage and much apparently useless material. He could reach Magdala in a very short time.

It is reported that the chief Menelek has mustered a force and marched to give battle to the troops of Theodorus.

General Napier's information afforded no indication of a clue to the present war or ulterior designs of the King.

A special correspondent of the New York *Herald* accompanying the expedition sends army news dated at Anatolo, on the 6th of February, forwarded to London by telegram from Suez, dated on the 3rd. He states that the advance of the British army was within fifteen days march of Magdala. General Napier met Kassai, the large chief, on the 20th of February and a chief made an offer of peace with the King which was accepted. This important proceeding was followed by a grand review at which Kassai and other native warriors attended. Colonel Merewether of the English Army had previously treated an envoy of Kassai as a spy, and the peace was doubtful. The [illegible] (the King's troops) shot some stragglers from the Queen's forces and also put to death six Arabs. The bodies were mutilated in a barbarous manner customary among the Abyssinians in war. Three British officers were missing. King Theodore was reported to be advancing with 30,000 soldiers, but marching only three miles each day. Menelek, supplied by the chiefs, was said to have invested the stronghold of Magdala with 40,000 men. News had been received from the troops at Anatolo during the previous [illegible]. No forage was to be had for cattle at Anatolo, where the *Herald's* despatches were dated.

### FINANCIAL AND COMMERCIAL.

London, March 5th, 1 20 p m.—Consols 93 [illegible]; Bonds 7½. Erie 47¼, Illinois Central [illegible].

Liverpool, March 5th, 1 20 p m.—Cotton active, and advanced ⅛. Prices fluctuating, 10,000 bales, Uplands 9d to [illegible], Orleans 10 [illegible]d; Breadstuffs steady, Corn 47s, New 14s 2d for No 2 Red Western. Others unchanged. Beef 6d higher, Pork 75s, Lard 59s. Cheese 53s for best American.

### New York Press Despatches.

THE IMPEACHMENT TRIAL.

New York, March 5.—The *Post's* special says Chief Justice Chase entered the Senate Chamber at 1 p m. The President of the Senate vacating his seat, the Chief Justice took it, and shortly after rose and stated that in obedience to the summons he was ready to proceed with the trial of Andrew Johnson, President of the United States, and was prepared to take the required oath. Associate Justice Wilson then administered the oath. The Senators were then sworn in.

New York, March 5.—The *Tribune's* special from New Orleans 4th, says:—Jeff. Davis is here. Thirty fire companies out in procession. When passing his hotel repeatedly cheered him. When passing General Hancock's headquarters, the firemen took off their hats and bands played "Bonnie Blue Flag."—Many loyal citizens are exceedingly indignant, and trouble is feared to-night.

New York, March 5.—The *Herald's* Havana special says:—Troops have been sent here from Cadiz for the Spanish war in Africa, which is watching the Alabama Ball, Captain Ross, at St. Thomas. The Alabama Ball is taking aboard the cargo of the wrecked of the ship Sarah Newman, for Europe.

The Captain General of Porto Rico is canvassing the project to declare St. Johns a free port. He is endeavouring to get the British mail steamers to touch at that place.

Washington, March, 5.—A meeting was held last night to sustain the President. The Mayor presided, assisted by over a hundred Vice Presidents. Resolutions were passed sustaining the President, condemning the course of Congress, &c.

New York, March, 5.—The *Herald's* Toms River, N. J., special says:—The schooner Mary W. Boce, from New Orleans for New York, with a cargo of 6,033 sacks of corn, went ashore six miles below the Grand Beach, New Jersey on Saturday night. The mate was washed overboard and three of the crew perished in the rigging before assistance could reach in time to rescue them.

New York, March 5.—The steamer Hansa sailed to-day for Europe $56,000 in treasure.

Nashville, Tennessee, March, 5.—Walker, the murderer, was taken from gaol again on Tuesday night by a mob and hanged. He confessed the crime, and said he was a rebel soldier from South Carolina.

**TESTIMONIAL**

**From Sig. Carlo Mora, Professor of Music, Kingston:**

HAVING had ample opportunity of testing Mr Reyner & Son's Tuning and Repairing of Pianofortes, &c, since I have been in Kingston, I heartily recommend them to all those having Instruments to tune or repair, and would further advise those that have Instruments that are not in good order, to give them a call at once, as delay will only occasion more work and money when it is done.

SIG. CARLO MORA,
Professor of Music,
Kingston.

FROM MR RIDDELL.

MR REYNER has recently re-covered the Hammers of the Pianoforte used in my family with the new improved patent leather, and otherwise repaired it. He has also tuned it, and it is altogether much improved, the quality of the tone being greatly better than before the Instrument was put into his hands. I shall certainly continue to keep the piano under his charge for the future.

**NEW DOMINION**
## ORGAN FACTORY.

JOHN SAVAGE'S

NEW DOMINION ORGAN FACTORY is now opened in perfect working order.

J. S. is prepared to supply lovers of Music with an assortment of the best Organs, Harmoniums and Melodeons ever offered for sale in Canada. Having employed E. JULIAN as Foreman, he having been engaged many years at the business, both in the Canadas and the United States. Has invented a patent on Organs which he challenges Canada to surpass either for Power or Sweetness of Tone, and various other good improvements on all the instruments he makes.

J. S. is also prepared to repair and tune all kinds of Organs and Melodeons. Having engaged a competent Tuner, the owners of the above named instruments and Pianofortes will find it to their interest to leave their orders for Tuning at his Factory. All work guaranteed to give good satisfaction, and moderate charges.

J. S. would beg to call the attention of Church Trustees and those intending purchasing to call and examine his Organs, Harmoniums and Melodeons before purchasing elsewhere, as he is bound to satisfy the public in Music and in Price.

## PAIN KILLER!

THE GREAT FAMILY MEDICINE OF THE AGE.

**THE UNIVERSAL REMEDY FOR INTERNAL AND EXTERNAL COMPLAINTS!**

**OUR FIRST PHYSICIANS USE AND RECOMMEND ITS USE.**

IT ENJOYS THE LARGEST SALE OF ANY PROPRIETARY MEDICINE IN THE WORLD.

## THE PAIN KILLER

Has been favourably known for more than thirty years, during which time we HAVE RECEIVED THOUSANDS OF TESTIMONIALS, showing this Medicine to be an almost NEVER FAILING REMEDY for diseases caused by or attendant upon—Sudden Colds, Coughs, Fever and Ague, Headache, Bilious Fever, Pains in the Side, Back and Loins, as well as in the Joints and Limbs; Neuralgic and Rheumatic Pains in any part of the System, Toothache and Pains in the Head and Face.

AS A BLOOD PURIFIER AND TONIC FOR THE STOMACH,

It seldom fails to cure Dyspepsia, Indigestion, Liver Complaint, Acid Stomach, Heartburn, Kidney Complaints, Sick Headache, Piles, Asthma or Phthisic, Ringworms, Boils, Felons, Whitlows, Old Sores, Swelled Joints, and General Debility of the System.

IT IS ALSO A PROMPT AND SURE REMEDY

For Cramp or Pain in the Stomach, Painters' Colic, Diarrhœa, Dysentery, Summer Complaint, Cholera Morbus, Cholera Infantum, Scalds, Burns, Sprains, Bruises, Frost Bites, Chilblains, as well as the Stings of Insects, and the Bites of Poisonous Insects and Venomous Reptiles.

☞ Directions accompany each bott'e.

It has been tested in every variety of climate, and by almost *every nation known* to civilization. It is the almost constant companion and inestimable friend of the *Missionary*, and no *traveller* should be without it. Like every other good thing, the Pain Killer has been extensively counterfeited; which, (while it is an acknowledgment on the part of the counterfeiters of its real worth) is a serious hindrance to its usefulness as the deceived purchaser estimates the value of the *Pain Killer* by the base compound he has purchased for the genuine article.

Purchasers should be careful and not allow the dealer to sell them worthless imitations, on which they realize a larger profit, but take only the *Pain Killer* and see that it is the genuine, bearing the signature of Perry Davis and Son upon the label.

The Pain Killer is sold at wholesale by Druggists and Medicine Dealers, and Commission Merchants in the principal cities, and retailed by Apothecaries, Grocers, and at Variety Shops generally throughout the world.
